

Hidden Valley Lake Community Services District
Regular Board Meeting Agenda
Wednesday, July 15, 2026 – 6:00 PM
19400 Hartmann Road, Hidden Valley Lake, CA

The agenda and all supporting documents are available for public review at 19400 Hartmann Road, Hidden Valley Lake, CA 95467, 72 hours in advance of each regularly scheduled meeting. Materials related to any items on this agenda submitted to the Board after distribution of the agenda, and not otherwise exempt from disclosure, will be made available for public review during normal business hours.

Assistance for Disabled: If you are disabled in any way and need accommodation to participate in the meeting, please call the Clerk of the Board at 707-987-9201 so the necessary arrangements can be made.

1. Opening Greeting

- a. Call to Order
- b. Roll Call:
Attending Remote:
Director Freeman
17 River Road
South Deerfield, MA 01373
- c. Pledge of Allegiance
- d. Approval or Amendment of the Agenda

2. Public Discussion

The public is welcomed and encouraged to address the Board at this time on matters not on the agenda. Please be advised that pursuant to Government Code Section 54954.2, the Board is not permitted to act on any matter not on the agenda unless it determines an emergency exists or the need to take action arose after the posting of the agenda. This period will be limited to thirty minutes and individual speakers will be limited to five minutes.

3. Consent Calendar

Consent Calendar items are expected to be routine and non-controversial and are to be acted upon by the Board by one motion, without discussion. If any Board member, staff member, or interested person requests that an item be removed from the Consent Calendar for further discussion, it will be moved to the first item on the Action Agenda.

- a. Minutes:
 - 1. Approval of the June 10, 2026, Finance Committee Meeting Minutes.
 - 2. Approval of the June 17, 2026, Personnel Committee Meeting Minutes.
 - 3. Approval of the June 17, 2026, Regular Board of Directors Meeting Minutes.
- b. Policies of the Board of Directors
 - 1. Approval of the Artificial Intelligence (AI) Policy #1017
- c. Disbursements:
 - 1. Check #4636 - #4696 including drafts and payroll for a total of \$391,344.71.

3.1 Discussion and Possible Action: Consider Approval of Archer Public Affairs Contract for Social Media, Communications, and Public Relations

4. Discussion and Possible Action: Consider Approval and Adopt Resolution 2026-09 Resolution of the Hidden Valley Lake Community Services District – Consolidation of Election

5. Discussion and Possible Action: Consider Approval of Directors Compensation Adjustment per Ordinance No. 61

6. Discussion and Possible Action: Consider Approval of Transition of Credit Card Service Provider to Five Star Bank

7. Discussion and Possible Action: Review of Smith & Newell CPA Communication and Engagement Letter for FY 2025-2026

8. Discussion and Possible Action: Consider Approval of the Lead Operator Job Description and Pay Scale

9. Discussion and Possible Action: Consider Approval of the Revised Job Title and Description Updating the Water Resources Specialist Position to Water Resources Analyst

10. Discussion and Possible Action: Consider Approval of Bennett Engineering Services' Contract Amendment in the Amount of \$81,941 for the Defensive Space and Ignition Resistant Construction Project

11. Reports:

The following agenda items are reports. They are placed on the agenda to provide information to the Board and the public. There is no action called regarding these matters.

- a. Board Reports
 - 1. Finance Committee
 - 2. Personnel Committee
 - 3. Emergency Preparedness Committee
 - 4. FLASHES/Trane Committee
 - 5. Lake Water Use Agreement Ad Hoc Committee
 - 6. Valley Oaks Project Sub-Committee
 - 7. Brambles Ad Hoc Committee

- b. General Manager and Staff Reports
 - 1. Board Priorities
 - 2. Projects Update
 - 3. Financial Report
 - 4. Administration/Customer Service Report
 - 5. Regulatory and Legislative Updates
 - 6. Field Operations Report
 - 7. General Manager's Report

12. In Recognition of the Distinguished and Heartfelt Service of Penny Cuadras

13. Public Comment

14. Board Member Comment

15. Adjourn

HIDDEN VALLEY LAKE COMMUNITY SERVICES DISTRICT

FINANCE COMMITTEE MEETING

MEETING MINUTES

Wednesday, June 10, 2026 – 1:00 PM

The Hidden Valley Lake Community Services District (District) Finance Committee met at the District office located at 19400 Hartmann Road Hidden Valley Lake, California 95467.

Present were:

Director Jim Freeman – Attended Remotely
Director Gary Graves
Paul Kelley, General Manager
Penny Cuadras, Administrative Services Manager
Trish Wilkinson, Accounting Supervisor
Hannah Davidson, Project Manager
Kelly Reese, Water Resources Specialist

CALL TO ORDER

The meeting was called to order at 1:00 p.m. by Director Graves.

APPROVAL OF AGENDA

Director Freeman motioned to approve the Wednesday, June 10, 2026, Finance Committee agenda as presented. The motion was seconded by Director Graves.

DISCUSSION AND POSSIBLE RECOMMENDATION:

Monthly Financials

The Committee reviewed the monthly financial statements. Staff addressed questions from the Committee. No action was taken.

DISCUSSION AND POSSIBLE RECOMMENDATION:

Proposed Budget Narrative FY 2026-2027 Budget

The Committee discussed the Budget Narrative FY 2026-2027 Budget, format updates and will make a recommendation to the Board.

DISCUSSION AND POSSIBLE RECOMMENDATION:

Review and Recommend Approval of PumpMan Estimate in the Amount of \$35,095 for a Pump & Motor for the Water Treatment Plant, Previously Executed by the General Manager

The Committee discussed the information presented and will make a recommendation to the Board.

DISCUSSION AND POSSIBLE RECOMMENDATION:

Review and Recommend Approval of Raider Painting Estimate in the Amount of \$46,950 for Exterior Painting of Little Peak Water Tank

The Committee reviewed the information presented and will make a recommendation to the Board.

DISCUSSION AND POSSIBLE RECOMMENDATION:

Review and Recommend the Approval of GHD's Proposal in the Amount of \$48,989 to Provide Wastewater Treatment Plant Monitoring and Reporting Program Assistance

The Committee reviewed the information presented and will make a recommendation to the Board, following further discussion at the Board meeting.

DISCUSSION AND POSSIBLE RECOMMENDATION:

Projects Update

The Committee received the Projects Update report. Staff provided an overview of ongoing and upcoming projects. No action was taken.

PUBLIC COMMENT

No public present.

COMMITTEE MEMBER COMMENT

Members of the Committee expressed appreciation to staff for their hard work on the budget modifications.

ADJOURNMENT

Director Freeman moved to adjourn the meeting at 2:13 p.m., seconded by Director Graves.

Motion carries to adjourn the meeting at 2:13 p.m.

HIDDEN VALLEY LAKE COMMUNITY SERVICES DISTRICT

PERSONNEL COMMITTEE MEETING MEETING MINUTES

Wednesday, June 17, 2026 – 4:30 PM

The Hidden Valley Lake Community Services District (District) Finance Committee met at the District office located at 19400 Hartmann Road Hidden Valley Lake, California 95467.

Present were:

Director Sean Millerick
Director Matthew Metcalf
Paul Kelley, General Manager
Penny Cuadras, Administrative Services Manager
Kelly Reese, Administrative Services Manager

CALL TO ORDER

The meeting was called to order at 4:30 p.m. by Director Millerick.

APPROVAL OF AGENDA

Director Metcalf moved to approve the June 17, 2026, Personnel Committee agenda as presented. The motion was seconded by Director Millerick.

DISCUSSION AND POSSIBLE RECOMMENDATION:

Review and Recommend the Approval of the Revisions to the Water Resources Specialist Job Description

The Personnel Committee discussed the current Water Resources Specialist Job Description and the proposed revised job title and description.

Staff shared the consideration of the revised job title from Water Resources Specialist to Water Resources Analyst. The revised job title more accurately reflects the duties performed, given the position's involvement with field operations. The updated job description reflects supervision by the Utility Superintendent.

Following discussion, the committee agreed that revising the job title and job description support operational structure and accurately reflect the duties performed. The committee directed the General Manager to proceed with the updates and recommended Board Approval.

DISCUSSION AND POSSIBLE RECOMMENDATION:

Review and Recommend the Approval of the Lead Operator Job Description

The Personnel Committee reviewed the Lead Operator Job Description for a second time. The committee reviewed and discussed the need within the department and potential benefits of establishing a Lead Operator position.

Following discussion, the committee directed the General Manager to proceed with next steps to establish this position which entails salary discussion with the Finance Committee.

DISCUSSION AND POSSIBLE RECOMMENDATION:

Review and Recommend the Approval of Artificial Intelligence (AI) Policy #1017

The Personnel Committee reviewed the proposed Artificial Intelligence Policy #1017. Staff explained that the policy is important to Districts as it provides a standard for AI use. The policy establishes guidelines for responsible, ethical, and secure use of AI. The policy is intended to provide clear guidance to staff and ensure consistency with emerging technology.

Committee members discussed the importance of maintaining updated policy as technologies change. The policy outlines responsibilities for staff, maintaining compliance, and ensuring human oversight during decision making.

Following discussion, the committee supported the proposed policy and agreed to recommend that the Board approve Public Records Request Policy #1017.

PUBLIC COMMENT

No Public Present.

COMMITTEE MEMBER COMMENT

No committee member comments.

ADJOURNMENT

Director Millerick moved to adjourn the meeting at 5: 08 p.m., seconded by Director Metcalf.

Motion carries to adjourn the meeting at 5:08 p.m.

**HIDDEN VALLEY LAKE COMMUNITY SERVICES DISTRICT
BOARD OF DIRECTORS**

**REGULAR BOARD MEETING
WEDNESDAY, JUNE 17, 2026– 6:00 PM
MEETING MINUTES**

The Regular Meeting of the Hidden Valley Lake Community Services District (District) Board of Directors was held in the District Boardroom at 19400 Hartmann Road Hidden Valley Lake, California 95467.

Director's Present:

Director Jim Freeman, President - Attended Remotely
Director Gary Graves, Vice President
Director Jim Lieberman
Director Sean Millerick
Director Matthew Metcalf

Staff Present:

Paul Kelley, General Manager
Barry Silva, Utility Superintendent
Penny Cuadras, Administrative Services Manager
Trish Wilkinson, Accounting Supervisor
Hannah Davidson, Project Manager
Kelly Reese, Administrative Services Manager

CALL TO ORDER

The meeting was called to order at 6:01pm by Director Graves.

APPROVAL OF AGENDA

Director Metcalf made a motion to approve the June 17, Regular Board Meeting Agenda as presented. Director Lieberman seconded the motion.

No Further Discussion

No Public Comment

Roll Call Vote:

AYES: (5) Directors, Lieberman, Millerick, Metcalf, Graves and Freeman

NAYS: (0)

ABSTAIN: (0)

ABSENT: (0)

Motion carries unanimously to approve the June 17, Regular Board Agenda as presented.

PUBLIC COMMENT

No public comment.

CONSENT CALENDAR:

Director Lieberman made a motion to approve the Consent Calendar. Director Millerick seconded the motion.

A. Minutes:

1. Approval of the May 13, 2026, Finance Committee Meeting Minutes.
2. Approval of the May 20, 2026, Regular Board of Directors Meeting Minutes.

B. Disbursements:

1. Check #004544 - 004635 including drafts and payroll for a total of \$554,097.43.

No Further Discussion

No Public Comment

Roll Call Vote:

AYES: (5) Directors, Lieberman, Millerick, Metcalf, Graves and Freeman

NAYS: (0)

ABSTAIN: (0)

ABSENT: (0)

The motion carries unanimously, to approve the Consent Calendar as presented.

DISCUSSION AND POSSIBLE ACTION:

PUBLIC HEARING

Public Hearing to Adopt the FY 2026-2027 Budget and Investment Policy

- A. Open Public Hearing to receive comment on proposed FY 2026-2027 Budget
- B. Close Public Hearing to receive comment on proposed FY 2026-2027 Budget
- C. Approve CalPERS Pay Schedule for FY 2026-27
- D. Approve Resolution 2026-06 Approving and Adopting the FY 2026-2027 Budget
- E. Approve Resolution 2026-07 Approving and Adopting the Investment Policy for FY 2026-2027

A public hearing was held to consider the adoption of the Fiscal Year 2026-2027 Budget and Investment Policy.

Director Graves opened the public hearing to receive public comment at 6:08PM.

No public comment or input.

The public hearing was closed after providing an opportunity for public input at 6:09PM.

Director Millerick made a motion to Approve FY 2026-2027 Budget. Director Metcalf seconded the motion.

Roll Call Vote:

AYES: (5) Directors, Lieberman, Millerick, Metcalf, Graves and Freeman

NAYS: (0)

ABSTAIN: (0)

ABSENT: (0)

Motion carries unanimously to approve the FY 2026-2027 Budget as presented.

Director Metcalf made a motion to Approve CalPERS Pay Schedule for FY 2026-27. Director Millerick seconded the motion.

Roll Call Vote:

AYES: (5) Directors, Lieberman, Millerick, Metcalf, Graves and Freeman

NAYS: (0)

ABSTAIN: (0)

ABSENT: (0)

Motion carries unanimously to approve the CalPERS Pay Schedule for 2026-2027 as presented.

Director Lieberman made a motion to Approve the Investment Policy. Director Metcalf seconded the motion.

Roll Call Vote:

AYES: (5) Directors, Lieberman, Millerick, Metcalf, Graves and Freeman

NAYS: (0)

ABSTAIN: (0)

ABSENT: (0)

Motion carries unanimously to approve the Investment Policy for 2026-2027 as presented.

No Further Discussion.

No Public Comment.

DISCUSSION AND POSSIBLE ACTION:

PUBLIC HEARING

Public Hearing to Take Proceedings for the Annexation and Sphere of Influence Amendment for the Valley Oaks Development and Authorize the General Manager to Execute the Lake LAFCo Application

- A. Open Public Hearing to receive comments on the proposed Annexation and Sphere of Influence Amendment for the Valley Oaks Development
- B. Close Public Hearing to receive comment on the proposed Annexation and Sphere of Influence Amendment for the Valley Oaks Development
- C. Approve Resolution 2026-08 Approving and Adopting the Annexation and Sphere of Influence Amendment for the Valley Oaks Development and Authorize the General Manager to Execute the Lake LAFCo Application

Director Graves opened the public hearing to receive public comment at 6:18PM.

Public comment from Valley Oaks representative.

The public hearing was closed after providing an opportunity for public input at 6:23PM.

No Further Discussion.

No Public Comment.

Director Millerick made a motion to Approve Resolution 2026-08 Approving and Adopting the Annexation and Sphere of Influence Amendment for the Valley Oaks Development and Authorize the General Manager to Execute the LAFCo Application. Director Metcalf seconded the motion.

Roll Call Vote:

AYES: (5) Directors, Lieberman, Millerick, Metcalf, Graves and Freeman

NAYS: (0)

ABSTAIN: (0)

ABSENT: (0)

Motion Carries unanimously to Approve Resolution 2026-08 as presented.

DISCUSSION AND POSSIBLE ACTION:

Consider Approval of Raider Painting Estimate in the Amount of \$46,950 for Exterior Painting of Little Peak Water Tank

Director Graves recused himself from the Agenda Item due to previous work with one of the listed vendors.

Staff presented the condition of the Little Peak Tank and the necessary maintenance needed for water tank longevity. The District received 3 quotes from vendors/contractors to perform the necessary maintenance. Staff further reviewed the quotes and recommend Raider Paints.

Board members raised questions regarding quotes provided, reasoning for the recommendation, and discussed costs. Staff responded to Board inquiries and provided additional clarification.

No Further Discussion.

No Public Comment.

Director Freeman made a motion to Approve Raider Painting Estimate in the Amount of \$46,950 for Exterior Painting of Little Peak Water Tank. Director Metcalf seconded the motion.

Roll Call Vote:

AYES: (3) Directors, Lieberman, Metcalf, and Freeman

NAYS: (1) Director Millerick

ABSTAIN: (1) Director Graves

ABSENT: (0)

Motion Carries to Approve Raider Painting Estimate in the Amount of \$46,950 for Exterior Painting of Little Peak Water Tank.

DISCUSSION AND POSSIBLE ACTION:

Consider Approval of PumpMan Estimate in the Amount of \$35,095 for a Pump & Motor for the Water Treatment Plant, Previously Executed by the General Manager

Staff presented the importance of the previously executed pump and motor replacement for the treatment plant. The pump and motor replacement exceed the cost of purchasing a new pump. Due to the operational urgency of this pump, motor and shipping timeline, staff considered this an emergency and proceeded with the order.

Board members discussed the quote and understood the urgency and necessity of this pump and motor replacement. Staff responded to Board inquiries and provided clarification as requested.

No Further Discussion.

No Public Comment.

Director Lieberman made a motion to Approve PumpMan Estimate in the Amount of \$35,095 for a Pump & Motor for the Water Treatment Plant, Previously Executed by the General Manager. Director Millerick seconded the motion.

Roll Call Vote:

AYES: (5) Directors, Lieberman, Millerick, Metcalf, Graves and Freeman

NAYS: (0)

ABSTAIN: (0)

ABSENT: (0)

Motion Carries unanimously to Approve PumpMan Estimate in the Amount of \$35,095 for a Pump & Motor for the Water Treatment Plant, Previously Executed by the General Manager.

DISCUSSION AND POSSIBLE ACTION:

Consider Authorizing the General Manager to Enter into a MOU With the County of Lake to Submit an FMA Grant Application on Behalf of the District

Staff presented the Districts interest, importance and intentions to enter into a MOU FMA Grant Application with the County of Lake. The intent of the grant application is to receive funding assistance to update the Districts stormwater master plan. The Districts stormwater master plan was created in 2000 and updates are necessary. The attached draft MOU in the Board Packet will be further reviewed by District legal counsel in conjunction with the County.

Board members discussed the MOU and staff responded to Board inquiries as requested.

No Further Discussion.

No Public Comment.

Director Lieberman made a motion to Authorize the General Manager to Enter into a MOU With the County of Lake to Submit an FMA Grant Application on Behalf of the District. Director Millerick seconded the motion.

Roll Call Vote:

AYES: (5) Directors, Lieberman, Millerick, Metcalf, Graves and Freeman

NAYS: (0)

ABSTAIN: (0)

ABSENT: (0)

Motion Carries unanimously to Authorize the General Manager to Enter into a MOU With the County of Lake to Submit an FMA Grant Application on Behalf of the District.

DISCUSSION AND POSSIBLE ACTION:

Consider Approval of GHD's Proposal in the Amount of \$48,989 to Provide Wastewater Treatment Plant Monitoring and Reporting Program Assistance

Staff presented a report regarding the complexity, importance of wastewater monitoring and reporting assistance. GHD is the recommended contractor due to their experience and qualifications. GHD has extensive knowledge, District data and has performed this work since 2007. GHD is highly considered due to continued compliance and collaboration with field operations. The other bid was provided by RSA and after further discussion, RSA does not have as much experience specifically with Wastewater Treatment Plant Monitoring and reporting with the Central Valley Regional Water Quality Control Board.

Board members understand the importance of GHD experience and historical data collection with District. Staff responded to Board inquiries and provided additional clarification.

No Further Discussion.

No Public Comment.

Director Lieberman made a motion to Approve of GHD's Proposal in the Amount of \$48,989 to Provide Wastewater Treatment Plant Monitoring and Reporting Program Assistance. Director Millerick seconded the motion.

Roll Call Vote:

AYES: (5) Directors, Lieberman, Millerick, Metcalf, Graves and Freeman

NAYS: (0)

ABSTAIN: (0)

ABSENT: (0)

Motion Carries unanimously to Approve GHD's Proposal in the Amount of \$48,989 to Provide Wastewater Treatment Plant Monitoring and Reporting Program Assistance.

BOARD REPORTS

Finance Committee: Met.

Personnel Committee: Met.

Emergency Preparedness Committee: To be scheduled.

Lake Water Use Agreement-Ad Hoc Committee: Have not met.

Valley Oaks Sub-Committee: Have not met.

FLASHES Project Committee: Met.

Brambles Golf Course Project: Have not met.

GENERAL MANAGER AND STAFF REPORTS

Board Priorities: Update provided by staff.

Projects Update: Update provided by staff.

Financial Report: Update provided by staff.

Administration/Customer Services Report: Update provided by staff.

ACWA Committee Updates: Update provided by staff.

Field Operation Report: Update provided by staff.

General Manager Report: Update provided by staff. The General Manager addressed all inquiries from the board.

EMPLOYEE RECOGNITION

1. Hannah Davidson, Master of Science in Law, Water and Environmental Law from the University of the Pacific, McGeorge School of Law
2. Kelly Reese, Bachelor of Arts in General Studies with Human Resources Concentration from Southern New Hampshire University

PUBLIC COMMENT

The Board received public comments; no motions or actions were taken in response.

BOARD MEMBER COMMENT

Members of the Board expressed their gratitude to the staff.

ADJOURNMENT

Motion by Director Lieberman to adjourn at 7:27 p.m. Second by Director Millerick.

No Further Discussion.

No Public Comment.

Meeting adjourned at 7:27 p.m.

POLICY	Artificial Intelligence (AI) Policy	
POLICY # 1017	ADOPTED:	REVISION:

1017.1 PURPOSE:

The District recognizes that Artificial Intelligence (AI) tools can enhance service quality and operational efficiency. This policy establishes a framework guiding the ethical and responsible use of AI systems by, or on behalf of, the District. It enables the District to use AI systems to benefit employees and clients while safeguarding against potential harm.

1017.2 POLICY:

The District recognizes the value of AI tools that through thoughtful application can significantly benefit our agency, our clients, and the communities they serve. We are equally mindful of the risks and challenges associated with AI and the potential for unintended consequences. Our goal is to understand AI systems and tools, their ethical and equitable use, and manage associated risks. Our approach to AI adoption is a careful balance between innovation and caution.

This policy encompasses all employees, contractors, and partners of the District. It covers the use of existing and future AI tools, systems, and platforms, including but not limited to Large Language Models (LLMs), AI-powered plug-ins, and data-driven analytical tools. The scope extends to all operational and decision-making processes within the District where AI technologies are utilized, ensuring our approach to AI remains human-centered, adaptive, and forward-thinking.

When operating, configuring, purchasing, developing, or maintaining AI systems, the District will:

- Uphold this AI policy and any other related AI policies and procedures. The District uses AI to provide comprehensive insights, predictive analysis, and streamlined processes, while human expertise ensures that final decisions are made with compassion, ethical consideration, and a deep understanding of the internal and external community we serve. The District will also adhere to all relevant legal frameworks governing AI, including data protection, privacy, and intellectual property laws. Our policy mandates continuous monitoring of the legal landscape to ensure compliance with both local and international AI regulations, safeguarding against legal and ethical risks.
- Conduct AI tool/system reviews to assess potential risk. The District is committed to utilizing AI responsibly, preventing harm and avoiding facilitation of malicious activities. The District will provide clear information about how AI is being used within our organization, the data it processes, and the decision-making frameworks it supports.

POLICY	Artificial Intelligence (AI) Policy	
POLICY # 1017	ADOPTED:	REVISION:

- Obtain technical documentation about AI tools/systems in use.
- Require AI contractors to comply with established requirements. The District requires adherence to ethical and legal standards from all third-party AI providers and systems to safeguard the integrity and respect for individual rights in AI-related activities.
- Follow the Incident Response Plan in the event of an AI tool/system incident.

1017.3. PROHIBITED USES

The use of certain AI systems or specific activities using AI systems are prohibited due to the sensitive nature of the information processed and severe potential risk. When using AI systems, District employees, contractors and business partners **may not**:

- Enter or otherwise share personal, confidential or individually identifying health information.
- Use real-time and covert biometric identification or falsification (e.g., facial recognition, voice identification or simulation).
- Use emotion analysis.
- Enable fully automated decisions that do not include meaningful human oversight and substantially impact individuals' legal rights, financial status, employment opportunities, workplace accommodation, disciplinary status, access to essential services, health, safety, or privacy.
- Enable social scoring, or the use of AI systems to track and classify individuals based on their behaviors, socioeconomic status, or personal characteristics.
- Engage in cognitive behavioral manipulation of people.

1017.4. AI-RELATED DEFINITIONS

Artificial Intelligence: "Artificial intelligence" or "AI" is any machine-based system that can, for a given set of human-defined objectives, make predictions, recommendations, or decisions influencing real or virtual environments. Artificial intelligence systems use machine- and human-based inputs to perceive real and virtual environments; abstract such perceptions into models through analysis in an automated manner; and use model inference to formulate options for information or action.

Algorithm: A series of logical steps through which an agent (typically a computer or software program) turns particular inputs into particular outputs.

AI system: Any system, software, sensor, or process that automatically generates outputs including, but not limited to, predictions, recommendations, or decisions that augment or

POLICY	Artificial Intelligence (AI) Policy	
POLICY # 1017	ADOPTED:	REVISION:

replace human decision-making. This extends to software, hardware, algorithms, and data generated by these systems, used to automate large-scale processes or analyze large data sets.

Cognitive behavioral manipulation of people or specific vulnerable groups: Cognitive behavioral manipulation refers to AI-driven tools or algorithms designed to influence or alter an individual's decision-making process or belief system. These systems use psychological, behavioral, or emotional data to create targeted strategies that can manipulate thoughts, feelings, or actions, particularly focusing on vulnerable groups or individuals.

Emotion analysis: Computer vision techniques to classify human facial expressions and body language to infer emotions or sentiment (e.g., positive, negative, neutral, happy, angry, nervous).

Personal and medical identifying information: Personal identifying information includes data that identifies an individual personally, such as name, address, email address, social security number, passport number, driver's license number, financial information, and telephone number. Individually identifiable health information includes data related to an individual's physical or mental health condition, provision of health care, or payment for the provision of healthcare that can be linked to a specific individual. This includes medical records, health insurance information, laboratory test results, medical history, and other individually identifiable data collected during the provision of healthcare services.

Real-time and covert biometric identification: The live identification of an individual using technologies including, but not limited to, facial recognition and iris scanning, without that individual's knowledge or meaningful consent.

Social scoring: The use of AI systems to track and classify individuals based on their behaviors, socioeconomic status, or personal characteristics. Refers to artificial intelligence or algorithmic systems that aggregate and interpret an individual's personal data to assign a quantifiable score or rating that ranks them against other individuals and impacts their access to services, opportunities, or societal privileges. These systems are characterized by their use of data related to behavior, preferences, interactions, financial transactions, and other personal attributes which are not directly linked to the application of the score. They can be part of a comprehensive profile that is used to make significant decisions about an individual's rights, opportunities, or social standing.

1017.5 RESPONSIBILITIES OF USERS

POLICY	Artificial Intelligence (AI) Policy	
POLICY # 1017	ADOPTED:	REVISION:

All District employees are responsible for following this policy, as well as any other District AI-related policies or procedures.

- District employees must notify their supervisor when they are using AI tools or systems for work. Supervisors are responsible for ensuring that staff are properly trained to both use the AI tool and to assess and mitigate potential negative consequences.
- If District staff become aware of an instance where an AI system has caused harm, staff must report the instance to both their supervisor and the designated District administrative staff member. If District employees are harmed, staff must also notify the Districts Human Resources Staff.
- If an AI system operated by the District or on its behalf ceases to provide a positive utility to District employees, clients, and/or client community, then the use of that AI system must be discontinued. If the abrupt cessation of the AI system would significantly disrupt service delivery, usage of the AI system shall be phased out.
- The District is subject to the California Public Records Act (CPRA). District staff must follow all current procedures for records retention and disclosure of any records associated with AI systems.
- Appropriate remedial measures and corrective action, including termination, will be instituted if prohibited behavior or violations of this policy are found.

1017.6 OVERSIGHT ROLES

The District General Manager will designate a member of administrative management to develop and enforce such procedures or practices as are needed to:

- Ensure AI systems are used in accordance with this policy and any other District policies and procedures.
- Oversee AI enterprise security infrastructure, cybersecurity operations, updating security policies, procedures, standards, guidelines, and policy compliance.
- Notify District departments when an update to this policy or any other District AI policies or procedures are released.
- Oversee the procurement of AI systems and require vendors to comply with District organizational values and policy standards through contractual agreements.
- Consult with District Legal Counsel as needed regarding any legal issues or risks associated with District AI systems usage.

HIDDEN VALLEY LAKE

COMMUNITY SERVICES DISTRICT

POLICY	Artificial Intelligence (AI) Policy	
POLICY # 1017	ADOPTED:	REVISION:

- At their discretion, inspect the usage of AI systems and require an alternative or cease its usage of AI systems or a partner's usage of AI systems on behalf of the District.

Gary Graves, Vice President to the Board

STAFF REPORT

Meeting Date: July 15, 2026

Budgeted: Yes

Meeting: Board Meeting

Budgeted Amount: \$114,400

To: Board of Directors

Cost Estimate: \$114,400

From: General Manager

Funding Source: 130

Written by: Administrative Services Manager

Funding Account #: 5-00-5110

Project Name: N/A

Project #: N/A

AGENDA ITEM #: 3.1

AGENDA ITEM TITLE: Consider Approval of Archer Public Affairs Contract for Social Media, Communications & Public Relations Services

SUMMARY: In May 2026 the Finance Committee and Board of Directors reviewed, discussed, and approved Archer Public Affairs as the District Social Media, Communications, & Public Relations firm.

The Finance Committee approved a not-to-exceed amount of \$120,000, while the Board requested that costs remain below \$80,000. The final contract amount presented falls between these two thresholds.

This report presents the final contract value, with a first-year annual cost of \$114,400. The initial first-year investment results in a monthly retainer of \$8,395.83. First-year costs are higher than those in subsequent years due to one-time implementation expenses, such as staff training and onboarding activities.

District staff met with Archer Public Affairs and its team to begin implementing the components of the contract.

RECCOMENDATION: Consider Approval of Archer Public Affairs Contract for Social Media, Communications & Public Relations Services

ATTACHMENTS: Archer Public Affairs Contract for Social Media, Communications & Public Relations Services

PROFESSIONAL SERVICES AGREEMENT

This Professional Services Agreement (“Agreement”) is dated _____, 2026, (“Effective Date”) and is between the Hidden Valley Lake Community Services District (“District”) and Archer Public Affairs and Duran Kinst Strategies, a California corporation (“Consultant”).

RECITALS

A. District desires to utilize the services of Consultant as an independent contractor to provide professional social media, communications, and public relations services.

B. Consultant represents that it is fully qualified to perform such services by virtue of its experience and the training, education and expertise of its principals and employees.

C. District desires to retain Consultant and Consultant desires to serve District to perform these services in accordance with the terms and conditions of this Agreement.

NOW THEREFORE, for good and valuable consideration, the parties agree as Follows:

1. Consultant’s Services.

1.1 Scope of Services. Consultant shall provide the professional services, as more particularly described in Exhibit A (“Services”).

1.2 Personnel. Consultant has, or will secure at its own expense, all personnel required to perform the Services under this Agreement. All of the Services required under this Agreement shall be performed by Consultant or under its supervision, and all personnel engaged in the work shall be qualified to perform such Services.

1.3 Party Representatives. For the purposes of this Agreement, the District Representative shall be the General Manager, or such other person designated in writing by the General Manager (the “District Representative”). For the purposes of this Agreement, the Consultant Representative shall be _____ (the “Consultant Representative”).

1.4 Time of Performance. Consultant shall commence the Services immediately upon receipt of a notice to proceed from the District Representative. Consultant shall perform all services by the deadline established by the District Representative, or if no deadline is established, with reasonable diligence.

1.5 Permits and Licenses. Consultant shall obtain and maintain during the Agreement term all necessary licenses, permits and certificates required by law for the provision of services under this Agreement, including a business license.

2. Term of Agreement. The term of this Agreement shall be from the Effective Date until the services are completed, unless sooner terminated as provided in Section 13 herein.

3. Compensation.

3.1 Compensation. As full compensation for Consultant's Services provided under this Agreement, District shall pay Consultant a sum not-to-exceed (the "maximum compensation"), based on the rates set forth in the fee schedule, attached hereto as Exhibit B ("Fee Schedule"). In no event shall the Consultant be paid more than the maximum compensation (which includes expenses and additional services, if any) during the term of this Agreement.

3.2 Expenses. District shall only reimburse Consultant for those expenses expressly set forth in Exhibit B. Any expenses incurred by Consultant which are not expressly authorized by this Agreement will not be reimbursed by the District.

3.3 Additional Services. District may request additional services under this Agreement. All such work, however, must be authorized in writing by the District Representative, as applicable, prior to commencement. Consultant shall perform such services, and District shall pay for such additional services in accordance with fee schedule set forth in Exhibit B, or as otherwise agreed upon by the parties in writing. Any work incurred by Consultant which is not expressly authorized by this Agreement will not be reimbursed by District.

4. Method of Payment.

4.1 Invoices. Not later than the fifteenth (15th) day of each month, Consultant shall submit to District detailed invoices for all services that will be performed and expenses that will be incurred, if any, pursuant to this Agreement during the upcoming month. Each invoice shall itemize the services that will be rendered during the billing period, hourly rates that will be charged, if applicable, and the amount due. District shall review each invoice and notify Consultant in writing within ten (10) business days of receipt of any disputed amounts.

4.2 Payment. District shall pay all undisputed portions of the invoices within thirty (30) calendar days after receipt of the invoice up to the maximum compensation specified in Section 3.1 of this Agreement. District shall not withhold federal payroll or state payroll and other taxes, or other similar deductions from each payment made to Consultant.

4.3 Audit of Records. Consultant shall maintain full and accurate records with respect to all matters covered under this Agreement for a period of three years, unless otherwise provided for in Exhibit A. Upon District providing twenty-four (24) hours advanced prior notice, Consultant shall make all records, invoices, time cards, cost control sheets and other records maintained by Consultant in connection with this Agreement available during Consultant's regular working hours to District for review and audit by District.

5. Standard of Performance. Consultant shall perform all Services under this Agreement in accordance with the standard of care generally exercised by like professionals under similar circumstances and in a manner reasonably satisfactory to District.

6. Ownership of Work Product. All reports, documents or other written material developed by Consultant in the performance of this Agreement shall be and remain the property

of District without restriction or limitation upon its use or dissemination by District. Such material shall not be the subject of a copyright application by Consultant. Any alteration or reuse by District of any such materials on any project other than the Project shall be at District's sole risk, unless District compensates Consultant for such reuse.

7. Status as Independent Contractor. Consultant is, and shall at all times remain as to District, a wholly independent contractor. Consultant shall have no power to incur any debt, obligation, or liability on behalf of District. Neither District nor any of its agents shall have control over the conduct of Consultant or any of Consultant's employees, except as set forth in this Agreement. Consultant shall not, at any time, or in any manner, represent that it or any of its officers, agents or employees are in any manner employees of District. Consultant shall pay all required taxes on amounts paid to Consultant under this Agreement, and indemnify and hold District harmless from any and all taxes, assessments, penalties, and interest asserted against District by reason of the independent contractor relationship created by this Agreement. Consultant shall fully comply with the workers' compensation law regarding Consultant and Consultant's employees. Consultant shall indemnify and hold District harmless from any failure of Consultant to comply with applicable workers' compensation laws. District may offset against the amount of any fees due to Consultant under this Agreement any amount due to District from Consultant as a result of Consultant's failure to promptly pay to District any reimbursement or indemnification arising under this Section 7. The Parties further acknowledges the following: (i) that Consultant shall provide the services outlined in the Services directly to District; (ii) Consultant maintains a business location at the address listed under Section 14 that is separate and distinct from the District; (iii) Consultant contracts with other businesses to provide the same or similar services and maintains a clientele without restriction from the District; (iv) Consultant advertises and holds itself out to the public as available to provide the same or similar services; (v) unless otherwise specified in this Agreement, Consultant provides its own tools, vehicles, and equipment necessary for performing the Scope of Services; (vi) Consultant has proposed and negotiated its own rates; and (vii) consistent with the nature and demands of the Services and the District's business hours and District staff availability, Consultant may set its own hours and location of work without restriction from the District.

8. Confidentiality. Consultant shall keep all data, documents, discussion, or other information developed or received by Consultant confidential and shall not disclose them to any person or entity without District's prior written authorization. District shall grant such authorization if disclosure is required by law. All District data shall be returned to District upon the expiration or termination of this Agreement. The terms of this Section 8 shall survive the expiration or termination of this Agreement.

9. Conflict of Interest. Consultant and its officers, employees, associates and subconsultants, if any, shall comply with all California conflict of interest statutes applicable to Consultant's Services under this Agreement, including, but not limited to, the Political Reform Act (Gov. Code, § 81000 et seq.) and Government Code Section 1090. During the term of this Agreement, Consultant may perform similar services for other clients, but Consultant and its officers, employees, associates and subconsultants shall not, without the District Representative's prior written approval, perform work for another person or entity for whom Consultant is not

currently performing work that would require Consultant or one of its officers, employees, associates or subconsultants to abstain from a decision under this Agreement pursuant to a conflict of interest statute. Consultant shall incorporate a clause substantially similar to this Section 9 into any subcontract that Consultant executes in connection with the performance of this Agreement.

10. Indemnification. Consultant shall indemnify, defend and hold harmless District, and its elected officials, officers, attorneys, agents, employees, designated volunteers, successors and assigns in accordance with the Indemnification and Hold Harmless Agreement and Waiver of Subrogation and Contribution attached hereto as Exhibit C. Consultant's covenant under this Section 10 shall survive the expiration or termination of this Agreement.

11. Insurance.

11.1 Consultant shall at all times during the term of this Agreement carry, maintain, and keep in full force and effect, with an insurance company admitted to do business in California, rated "A:VIII" or better in the most recent A.M. Best Insurance Rating Guide, and approved by District, a policy or policies of: (1) broad-form commercial general liability insurance with minimum combined single limits of One Million Dollars (\$1,000,000) per occurrence and Two Million Dollars (\$2,000,000) aggregate against any injury, death, loss or damage as a result of wrongful or negligent acts by Consultant, its officers, employees, agents, and independent contractors in performance of Services under this Agreement; (2) automobile liability insurance, with minimum combined single limits coverage of One Million Dollars (\$1,000,000) per accident for bodily injury and property damage covering any vehicle; (3) professional liability/errors and omissions insurance (as applicable), with minimum combined single limits coverage of One Million Dollars (\$1,000,000) per claim and Two Million Dollars (\$2,000,000) aggregate, on a form approved by the District Attorney; and (4) workers' compensation insurance and employer's liability insurance with a minimum limit of One Million Dollars (\$1,000,000) per accident or the amount required by law, whichever is greater. District, its officers, employees, attorneys, and designated volunteers shall be named as additional insureds on the policy(ies) as to commercial general liability and automobile liability with respect to liabilities arising out of Consultant's performance of Services under this Agreement.

11.2 Each insurance policy required by this Section 11 shall be endorsed as follows: (1) the insurer waives the right of subrogation against District and its officials, officers, employees, agents and representatives; (2) except for professional liability and workers' compensation policies, the policies are primary and non-contributing with any insurance that may be carried by District; and (3) the policies may not be canceled or materially changed except after thirty (30) calendar days' prior written notice by insurer to District, unless canceled for non-payment, in which case the insurer shall give ten (10) calendar days' written notice to District.

11.3 All insurance coverages shall be confirmed by execution of endorsements required under Section 11.2. Consultant shall file the endorsements with District on or before the date of commencement of services pursuant to this Agreement, and thereafter maintain current endorsements on file with District. The endorsements are subject to District's approval.

Consultant shall not cancel, reduce or otherwise modify the insurance policies required by this Section 11.

12. Cooperation. In the event any claim or action is brought against District relating to Consultant's performance of Services rendered under this Agreement, Consultant shall render any reasonable assistance and cooperation that District requires.

13. Termination. District may terminate this Agreement at any time, at will, for any reason or no reason, after giving written notice to Consultant at least five (5) calendar days before the termination is to be effective. If District defaults under this Agreement, and if District has not cured the default within thirty (30) calendar days after Consultant has given District notice of the event of default, Consultant may terminate this Agreement for cause after giving written notice to District at least thirty (30) calendar days before the termination is to be effective. Consultant shall cease all work under this Agreement on or before the effective date of termination specified in the notice of termination. Consultant shall be paid for services satisfactorily rendered to the last working day this Agreement is in effect, and Consultant shall deliver all materials, reports, documents, notes or other written materials compiled through the last working day this Agreement is in effect. In no event shall Consultant be entitled to receive more than the maximum compensation set forth in Section 3 of this Agreement that would be paid to Consultant for the full performance of the services required by this Agreement. Neither party shall have any other claim against the other party by reason of such termination.

14. Notices. Any notices, bills, invoices, or reports required by this Agreement shall be given by first class U.S. mail, by personal service, or by email to the designated party. Notices shall be deemed received on (a) the day of delivery if delivered by hand, overnight courier service during Consultant's and District's regular business hours, by facsimile before or during Consultant's regular business hours, or by email; or (b) on the third business day following deposit in the United States mail, postage prepaid, to the addresses below, or to such other addresses as the parties may, from time to time, designate in writing pursuant to the provisions of this Section 14. All notices shall be delivered to the parties at the following addresses:

If to District: General Manager
 Hidden Valley Lake Community Services District
 19400 Hartmann Rd
 Hidden Valley Lake, CA 95467

Fax: (707) 987-3237

If to Consultant: _____

Fax: _____

15. Non Discrimination and Equal Employment Opportunity. In the performance of this Agreement, Consultant shall not discriminate against any employee, subcontractor, or applicant for employment because of race, color, creed, religion, sex, marital status, national origin, ancestry, age, physical or mental handicap, medical condition, or sexual orientation. Consultant will take affirmative action to ensure that subcontractors and applicants are employed, and that employees are treated during employment, without regard to their race, color, creed, religion, sex, gender, gender identity, gender expression, marital status, national origin, ancestry, age, physical disability, mental handicap, medical condition, genetic information or sexual orientation.

16. Non-Assignability; Subcontracting. Consultant shall not subcontract or assign any of its rights or delegate any of its duties under this Agreement, either in whole or in part, without District's prior written consent. Such consent may be given by the General Manager in his/her discretion. Any attempt by consultant to so subcontract, assign or delegate this Agreement or any rights, duties or obligations arising hereunder in violation of this Section 16 shall be void and of no effect.

17. Compliance with Laws. Consultant shall comply with all applicable federal, state and local laws, ordinances, codes and regulations in the performance of this Agreement.

18. No Third Party Beneficiaries Intended. Unless otherwise expressly provided for in Exhibit A, this Agreement is made solely for the benefit of the parties to this Agreement and their respective successors and assigns, and no other person or entity may have or acquire a right by virtue of this Agreement.

19. Non-Waiver of Terms, Rights and Remedies. No waiver by any party of any breach, any failure of a condition, or any right or remedy under this Agreement shall be (1) effective unless it is in writing and signed by the party making the waiver, (2) deemed to be a waiver of, or consent to, any other breach, failure of a condition, or right or remedy, or (3) deemed to constitute a continuing waiver unless the writing expressly so states. No delay or omission to exercise any right, power or remedy accruing to District under this Agreement shall impair any right, power or remedy of District, nor shall it be construed as a waiver of, or consent to, any breach or default by Consultant. Further, no payment made by District to Consultant shall constitute or be construed as a waiver by District of any breach or default by Consultant, and the making of any such payment by District shall in no way impair or prejudice any right or remedy available to District with regard to such breach or default.

20. Exhibits; Precedence. All documents referenced as exhibits in this Agreement are hereby incorporated into this Agreement. In the event of any material discrepancy between the express provisions of this Agreement and the provisions of any exhibit, the provisions of this Agreement shall prevail.

21. Entire Agreement. This Agreement and all exhibits referred to in this Agreement constitute the final, complete and exclusive statement of the terms of the agreement between the parties pertaining to the subject matter of this Agreement and supersede all other prior or contemporaneous oral or written understandings and agreements of the parties. No party has been

induced to enter into this Agreement by, nor is any party relying on, any representation or warranty except those expressly set forth in this Agreement. This Agreement may be modified only by a writing signed by both parties.

22. Governing Law and Choice of Forum. This Agreement, and any dispute arising from the relationship between the parties to this Agreement, shall be governed by and construed in accordance with the laws of the State of California, except that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not be applied in interpreting this Agreement. Any dispute that arises under or relates to this Agreement (whether contract, tort or both) shall be resolved in a municipal, superior or federal court with geographic jurisdiction over the County of Lake.

23. Attorney's Fees. In the event that either party to this Agreement shall commence any legal action or proceeding to enforce or interpret the provisions of this Agreement, the prevailing party in such action or proceeding shall be entitled to recover its reasonable attorneys' fees together with any costs and expenses, to resolve the dispute and to enforce the final judgment.

24. Severability. If a court of competent jurisdiction holds any provision of this Agreement to be illegal, invalid or unenforceable for any reason, the validity of and enforceability of the remaining provisions of this Agreement shall not be affected and continue in full force and effect.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed the day and year first above written.

EXHIBIT A
SCOPE OF SERVICES

D. SCOPE OF WORK

D.1. Digital and Social Media Management

The proposed scope of work for digital and social media management is designed to help the District strengthen transparency, proactively communicate with ratepayers, and build trust through consistent, accurate, and accessible information across platforms.

Content development and scheduling across District platforms

- **Content development:** We will develop and manage a strategic content calendar to deliver clear, timely, and engaging communications aligned with District priorities. Content will include professionally designed graphics, imagery, and messaging tailored to inform residents about programs, capital projects, service updates, community events, operational issues, traffic impacts, public safety information, emergency alerts, policy changes, and preparedness efforts as needed.

A key focus will be translating complex or technical information into clear, easy-to-understand messaging that improves public understanding and reduces confusion.

Within this, we can support a flexible approval process based on District preferences, including:

1. Email-based review and approval of individual posts
2. Direct review and approval within the content calendar platform
3. Pre-approved content categories allowing DKS to publish content without individual approvals following editorial alignment

- **Scheduling:** We will utilize Sprout Social, a professional social media management platform, to schedule and publish content consistently across the District's channels. In addition to managing existing platforms, we will provide guidance on expanding to additional channels (e.g., Instagram, Nextdoor, LinkedIn, YouTube) based on community usage and communication goals. If desired, DKS can assist in evaluating platform effectiveness through community surveys and engagement data.

Social listening and monitoring

We will conduct ongoing social listening and monitoring of District-related conversations across social media platforms to identify emerging issues, misinformation, and community concerns. Relevant insights will be communicated to District staff in a timely manner, allowing the District to respond proactively rather than reactively. We will also identify opportunities to amplify accurate information and engage with relevant community discussions.

Engagement with community comments and inquiries

The District has indicated it desires to enhance clarity when addressing or correcting misinformation shared online or through other channels, particularly regarding topics such as District activities or decisions, water service interruptions, maintenance activities, weather-related events, and similar public updates.

To respond to this need, we will support professional and timely engagement with community comments and inquiries on social media platforms, based on District-approved response protocols. This includes:

- Responding to routine questions
- Escalating sensitive or complex issues to District staff
- Correcting misinformation with clear, factual responses
- Directing users to authoritative information on the District's website

We will also work with the District to ensure that key information is clearly presented and easily accessible on the District's website, enabling consistent and efficient responses across digital channels.

D.2. Community Engagement

The proposed scope of work on community engagement presented below is designed to help HVLCSD achieve the following goals and objectives outlined in your 2024-2029 Strategic Plan:

- **Goal: Strive for Excellent Ratepayer Communications**
- **Objective: Maintain Transparency**
- **Objective: Encourage Public Engagement and Education**
- **Objective: Practice Excellent Customer Service**

D.2.1: Community Surveys

In your strategic plan, you clearly state that the top method of measuring succession in achieving your goals is to “Evaluate Ratepayer Satisfaction.” We can accomplish this, as well as gather other useful intel that can inform future communications efforts, via community surveys.

To that end, we are pleased to have a longstanding partnership with Bold Decision, a boutique research firm specializing in custom local, state, and national-level political and public affairs research projects. Bold’s founding partners have more than 30 years of combined experience in designing, implementing, fielding, and analyzing impactful research projects.

Every Bold Decision engagement is unique and requires the intelligent application of research methodologies. The relatively small size of the community that HVLCS D serves necessitates a custom-designed approach. Quantitative research such as surveys is valuable for measurement, while qualitative research — such as focus groups — can be valuable for exploration and unlocking depth and nuance.

In your correspondence with us, the District indicated it has not previously conducted any kind of survey on its customers. Ideally, budget permitting, one of the first surveys we could conduct would directly inform how and where your customers would prefer to get information and news from the District. Specifically, we’d like to learn:

- Which social media platforms they use, and use most
- Where they generally get their news and information
- What they like or don’t like about current District communications
- Whether they read the District newsletter
- What kind of information would be most valuable to them
- Overall customer satisfaction

The reason we prefer this as a first step is it can inform, for example, whether or not a Twitter page, or an Instagram page would get the most traffic — or might even be unnecessary. This can drive strategy and save time and resources in terms of developing your online communications as described above, while demonstrating transparency and a commitment to “listening” to your customers.

As noted, we would also use this research to try to establish a baseline of ratepayer satisfaction. Subsequent surveys could then measure increases in satisfaction or help identify where the district may need to change tactics.

Again emphasizing that we would want to develop a customized approach, there are a variety of options we could consider as we start the conversation about collecting this data.

- Option 1: Online (“passive”) survey. This would be a “Survey Monkey” or similar online survey tool that would be made available on the website and, where possible, emailed to customers, promoted in billing statements etc.

Pros: These surveys are very easy to develop, although we would recommend — and have budgeted for — working with a professional survey research firm to develop the questions and analyze the responses. In so doing we can ensure we’re asking the right questions in the right way, and providing for professional analysis of the results to help crystallize an overall communications strategy.

Cons: There can be limitations on survey length, question type (closed vs. open-ended) and structure. Also, because the survey would simply be “out there” waiting for the public to respond (vs. pushed via direct contact), response rates may also be very low and thus not necessarily scientific or representative of your customers as a whole. CSD staff would likely need to send reminders 3-4 times to enhance the survey response rate.

- Option 2: Focus Groups. As envisioned this would be a series of 2-3 focus groups, conducted by a professional firm and made up of a representative sampling of your customers. These groups would be asked to provide their thoughts and feedback on a variety of questions and topics — to be decided in concert with you. (These could go beyond basic communication questions and get into bigger issues of concern to the District).

Pros: Generally a less expensive approach than Option 3 below, and the result is often deeper insights that go beyond “what” opinions customers have, and get into “why” they have those opinions.

Cons: Cost can be around \$12,000 - \$15,000 per focus group and, while the insights provided can be more detailed, focus groups are not reliable as “scientific” surveys. They can often be influenced by one speaker who dominates the conversation and sways the opinions of other participants, for example.

- Option 3: Scientific Survey. This would be a scientific opinion survey conducted by a professional firm, where we could ask specific questions and get measurable results and analysis that would help guide all future communications efforts, as well as help inform the district on what priorities customers think are most important, depth of knowledge on things like water rates, state mandates, infrastructure costs, and the connections among all three, etc.

Pros: Reliable, scientific data and analysis that can test messaging and form a solid foundation for communications efforts.

Cons: Cost. This can vary based on the number of questions and the number of survey respondents needed. Typically you'd want a survey population of at least 300 respondents to get a representative, but random sampling of your customers. A respondent population of 400 would provide even more accurate data, but would increase the costs.

Finally, your strategic plan indicates an intention to “value and evaluate customer feedback.” In your correspondence with us, you mentioned that customer inquiries come in by phone, email online or “other communication channels.” For each of these, we can create a fast and easy method of evaluating customer feedback by including a very brief (3-5 question) survey at the end of each CSD response, wherein we would ask customers to provide their feedback on the information and response they received.

D.2.2: Support for Public Meetings and Workshops

Our approach on supporting HVLCSD for public meetings and workshops centers on two strategies:

1. Generating attendance/increasing accessibility
2. Controlling the meeting and its narrative

For purposes of discussion, and based on your feedback, “public meetings” are assumed to be meetings in addition to HVLCSD Board meetings every month, which are already publicized and conducted in conformance with statute. That said, we do notice that, at present, it does not seem the District is equipped to stream video and audio of the Board meetings.

Understanding that this would require some investment in equipment and technology, we would nonetheless recommend that HVLCS D endeavor to provide this option, and make recordings available after the fact as well, as this can lead to much more and better engagement from the public, provide a recourse for addressing misinformation, and demonstrate a commitment to transparency.

For the first strategy, generating attendance, we would employ a variety of tactics to ensure the public is aware of and encouraged to attend these meetings. Tactics would include:

- Social media posts and website notices, encouraging residents to follow the District’s social media channels and subscribe to website updates (if applicable).
- Direct communications to residents via email (where available ... we can also purchase a list if need be).
- Notices / announcements to local media outlets (Lake County News, Nextdoor, Newsbreak - Hidden Valley Lake)
- Coordination with Hidden Valley Lake Association management
- MainLine newsletter
- Optional: Flyers (to post to corkboards on mailboxes) and/or postcard mailers to residents.

Notices should also include information beyond the standard meeting details (what, where and when) and include a message about “why you should attend.” This helps residents connect on a personal level with the purpose of the meeting, and also demonstrates the CSD’s commitment to transparency and serving the community.

For the second support strategy — controlling the meeting and the narrative — we would work with you in a variety of ways:

- **Messaging and content:** Depending on the nature and subject of the meeting, it may be important to zero in on some key messages the District wants to be sure to communicate. We could support this through the development of talking points and presentation materials.
- **Prep sessions as needed with District leadership:** Again, depending on the nature and subject of the meeting, it may be helpful in the interest of message control to anticipate what kind of questions will be asked and, based on the key messages, how best to respond.

- **Format:** A common risk in public meetings is one individual dominating the conversation, “hogging the mike,” grandstanding, etc. This can be avoided by moving away from a “bleachers and stage” approach and instead setting up stations around the room, each focused on a single key aspect of what the meeting/issue is about and each staffed by an appropriate CSD representative who can provide info, answer question in a more familiar and comfortable environment, and direct visitors to additional resources.

While these are our preliminary approaches, we welcome the chance to discuss other needs you may have in regard to “meeting support.” Specifically in reference to your SWOT analysis, you noted “there are difficulties in communicating with ratepayers during emergency events.”

One tactic you could employ — either during your community meetings or in partnership with the Hidden Valley Lake Association — would be to identify and recruit “community captains” who can help you communicate during a time when power, and phones, are mostly likely to be out. These are residents CSD staff can contact, or visit in person if needed, in an emergency with vital information and talking points (scripts) they can share with their neighbors to help ensure consistent and reliable communication in the emergency.

D.3. Video, Photography and Audio Production

To meet your needs in this area, we will subcontract with Orion Sky Studios, based in nearby Sonoma, CA. Orion will serve as your reliable production partner that captures content and helps shape it into clear, consistent communication. Our intent in this collaboration is to provide the CSD with a consistent, controlled and predictable level of media support it can rely on on a weekly/monthly basis and which enables the district to maintain consistency in visual communication, build a library of reusable content over time, and deploy media effectively across platforms and initiatives without restarting the process.

Importantly, we have developed and budgeted a scope of work in this area that projects five hours per week of video, audio and photography support, however, we would emphasize that this is scalable up or down based on the district’s needs. The specific scope of services would include:

- **1 on-site production day per month (6–8 hours).** The objective is content capture aligned with District priorities such as events, project updates, community messaging, and stakeholder interviews.
- **Professional video and photo capture.** We'll employ a small, efficient crew using cinema-grade cameras, lighting, and audio to ensure high-quality, consistent output.
- **Post-production and content development.** This entails editing footage into usable assets including short informational videos, updates, and social-ready clips.
- **Content optimization for digital channels.** Specifically, we'll structure deliverables for effective use across web, social, and public communications.

In addition to the production services above, and to help the District save cost in the long term, we will also engage Kerry Shearer, a.k.a. “The Livestream Expert” to provide a one-time, half-day “Smartphone Video Training” for CSD staff. The purpose of this training would be to equip staff with the skills and tips they can use to shoot usable, shareable video with their smartphones, while also providing the district with a “production kit” of the actual hardware to enhance video capture capabilities and quality. This production kit would include several wired smartphone mics, a Rode dual wireless mic system with charging case, a fluid-head travel tripod with smartphone mount, desktop tripods, a mag-mount video light for the phone and a "studio" LED video light with floor stand for interviews.

D.4. On-Call Media Relations Support

Our team will be available to support you 24/7 with all facets of media relations support, including:

- **Media List Development:** The District may already have this covered ... with so few media outlets in the area (most only staffed by a single person) this will not be a heavy lift, but we are happy to provide it if needed, with a focus on:
 - Lake County News
 - NextDoor
 - Newsbreak - Hidden Valley Lake

- **Media training:** As an initial component of our work with you, we would like to organize a media training seminar for CSD staff and (optional) Board members. Through a half day training we would walk participants through:
 - How the media works
 - Controlling the message to help influence how coverage turns out
 - Strategies and tactics for controlling the interview
 - What to do when the media calls
 - Key “Do’s and Don’ts” for working with the media
 - Mock interviews
- **Consulting/Interview Prep:** As and when media calls, we can be available to collaborate with you to discuss the nature of the reporter's questions and inquiry, and talk through messages that can be used in response if an interview is to be granted. Similarly if the District desires to respond to news coverage, we can provide similar counsel on the best messages and approach.
- **Writing:** We can prepare press statements to respond to inquiries, press releases to announce news, media advisories to announce events, fact sheets, Q & A docs and other materials to support your media relations work.
- **Story pitching:** As and when the District is seeking to push out good news and information for the community we can assist in contacting local outlets and corresponding to encourage coverage.

D.5. Optional Additional Services:

Website Content and Analytics

We will ensure that website content and social media messaging are closely aligned so accurate, detailed information is always available to support public inquiries and correct misinformation.

Content creation and updates: We will collaborate with District staff to develop and maintain clear, timely, and informative website content. This includes updates related to District programs, projects, meeting and event announcements, and community-focused content.

A key objective will be ensuring that the website serves as a reliable, up-to-date source of information that supports transparency and provides a strong foundation for digital communications.

Targeted design improvements: We can recommend (and implement as needed) targeted visual and structural improvements to enhance usability and accessibility, including the addition of imagery, banners, and improved content layout. Enhancements will be prioritized based on District priorities and aligned with the overall scope of work.

Analytics tracking and reporting: We can monitor website performance and provide monthly analytics reporting, including insights on page performance, user engagement, and content effectiveness. These insights would be used to inform ongoing content strategy and improve the accessibility and clarity of information for residents.

D.6. Optional Additional Services: **Community Outreach Materials**

We are happy to assist and provide services in the areas of strategy, message, copywriting, editing and review of community outreach materials that will assist HVLCSO in communicating effectively with the public. Depending on the nature of the issue/subject to be discussed we may recommend a variety of tools, such as a “Myth & Fact” sheet to address misinformation, Q&A documents (or videos), newsletter articles, specific talking points, and so on. To the extent that quarterly newsletter review is requested, we are equally happy to support you there as well.

A few items we would recommend right from the start:

- If the CSD is not doing this already, it should have a protocol in place to help field crews address questions from residents or visitors while they are performing work. Specifically, these would include providing handouts or phone numbers the public can call with any questions, and/or providing brief fact sheets and response guidance. The goal of this is twofold: First, from a communications standpoint, it ensures there is no miscommunication about the nature of the work being done, the reason, etc. Second, from an operational standpoint, it helps ensure field crews are able to do their jobs without delays or distractions from a curious neighbor.

- Your Strategic Plan identified “Regulations” as an area of “Threat” on your SWOT analysis. The District would be served well by making efforts to educate your ratepayers on what these regulatory threats are, and how they might impact costs. Doing so would directly align with and support your values of Transparency and Affordability. Specifically, you can use this information to explain how rates are set (few ratepayers really understand how their rates are set) and demonstrate your desire (and efforts) to keep rates low. Including information on what the District may be doing to help oppose new onerous regulations that could raise rates would provide an avenue to engage your ratepayers in any advocacy efforts — which would be very powerful — and help smooth the path forward if a rate increase is necessary “to meet new mandates from the state.”
- Finally, occasional fact sheets, handouts, social media posts and/or “explainers” on the aging infrastructure, what’s needed, and what actions the District is taking (e.g., investments in equipment and why they are justified) to fulfill its mission “to provide, maintain and protect our community’s water.”

Please note that any and all costs for graphic design services, printing, production, postage or other hard costs associated with reproducing and disseminating content are considered outside the scope of work. If these services are requested, we will provide a separate budget and/or cost estimate for approval.

D.7. Optional Additional Services: **Measurement and Reporting**

Monthly analytics dashboards: DKS will track performance across all District social media platforms using a professional analytics dashboard, Sprout Social, providing clear visibility into outreach effectiveness and audience engagement.

Engagement metrics and performance summaries: DKS will provide a monthly performance report summarizing digital communications efforts and results across social media channels. Reporting will include key metrics such as:

- **Impressions** — visibility of content across platforms
- **Engagements** — interactions such as likes, comments, and shares
- **Engagement Rate** — level of audience interaction relative to reach
- **Audience Growth** — changes in follower count over time
- **Message Volume** — number of incoming inquiries and messages
- **Link Clicks** — traffic driven to the District website
- **Number of Published Posts** — overall content output

Reports will include month-over-month comparisons, with year-over-year analysis available as data matures. DKS will identify high-performing content and apply these insights to refine future messaging and outreach strategies, improving communication effectiveness and maximizing engagement.

EXHIBIT B

FEE SCHEDULE

Consultant shall provide the services described in Exhibit A, Scope of Services in an amount not to exceed \$114,400 as follows:

Task	Staff	Retainer Hrs/ Week	Rate/ Hr	Total Retainer (52 Weeks)	One Time Costs
Digital and Social Media Management	Duran /				
	Gonzales	5	\$100	\$26,000	
	Romanelli	1	\$250	\$13,000	
Community Engagement					
Community Surveys	Romanelli				\$15,000
Meeting/Workshop Support	Romanelli	0	\$250	\$0	
Video, Photography & Audio Production					
Video, Photography & Audio services	Orion	3	\$200	\$31,200	
Half-day Smartphone Video Training	Shearer				\$3,650
Half-day B-roll Shoot	Shearer

Monthly Retainer				\$8,395.83	
Total: Retainer Fees + One-Time Costs and OOP expense budget WITHOUT survey research included.					
		12			\$114,400
Total: Retainer Fees + One-Time Costs and OOP expense budget WITH survey research included					
		12			\$129,400

EXHIBIT C

INDEMNIFICATION AND HOLD HARMLESS AGREEMENT AND WAIVER OF SUBROGATION AND CONTRIBUTION

Contract/Agreement/License/Permit No. or description:

Indemnitor(s) (*list all names*):

To the fullest extent permitted by law, Indemnitor hereby agrees, at its sole cost and expense, to protect, indemnify, and hold harmless the Hidden Valley Lake Community Services District and its elected officials, officers, attorneys, agents, employees, designated volunteers, successors, and assigns (collectively "Indemnitees") from and against any and all damages, costs, expenses, liabilities, claims, demands, causes of action, proceedings, expenses, judgments, penalties, liens, and losses of any nature whatsoever, including fees of accountants, attorneys, or other professionals and all costs associated therewith (collectively "Liabilities"), resulting from any wrongful or negligent act, failure to act, error, or omission of Indemnitor or any of its officers, agents, servants, employees, subcontractors, material men, suppliers or their officers, agents, servants or employees, arising or claimed to arise, directly or indirectly, out of, in connection with, resulting from, or related to the above-referenced contract, agreement, license, or permit (the "Agreement") or the performance or failure to perform any term, provision, covenant, or condition of the Agreement, including this indemnity provision. This indemnity provision is effective regardless of any prior, concurrent, or subsequent passive negligence by Indemnitees and shall operate to fully indemnify Indemnitees against any such negligence. This indemnity provision shall survive the termination of the Agreement and is in addition to any other rights or remedies which Indemnitees may have under the law. Payment is not required as a condition precedent to an Indemnitee's right to recover under this indemnity provision, and an entry of judgment against the Indemnitor shall be conclusive in favor of the Indemnitee's right to recover under this indemnity provision. Indemnitor shall pay Indemnitees for any attorney's fees and costs incurred in enforcing this indemnification provision. Notwithstanding the foregoing, nothing in this instrument shall be construed to encompass (a) Indemnitees' active negligence or willful misconduct to the limited extent that the underlying Agreement is subject to Civil Code § 2782(a), or (b) the contracting public agency's active negligence to the limited extent that the underlying Agreement is subject to Civil Code § 2782(b). This indemnity is effective without reference to the existence or applicability of any insurance coverages which may have been required under the Agreement or any additional insured endorsements which may extend to Indemnitees.

District agrees to promptly inform Indemnitor in writing of any claim that District believes to be subject to this Indemnification and Hold Harmless Agreement.

Indemnitor(s), on behalf of itself and all parties claiming under or through it, hereby waives all rights of subrogation and contribution against the Indemnitees, while acting within the scope of their duties, from all claims, losses and liabilities arising out of or incident to activities or operations performed by or on behalf of the Indemnitor regardless of any prior, concurrent, or subsequent non-active negligence by the Indemnitees. Such claims, losses and liabilities include, but are not limited to, contraction of the COVID-19 virus and physical and/or emotional injuries and/or death caused by contraction of the COVID-19 virus. To the fullest extent permitted by law, this waiver is intended to be a complete release of Indemnitees.

In the event there is more than one person or entity named in the Agreement as an Indemnitor, then all obligations, liabilities, covenants and conditions under this instrument shall be joint and several.

HIDDEN VALLEY LAKE COMMUNITY SERVICES DISTRICT

STAFF REPORT

Meeting Date: July 15, 2026

Budgeted: Yes

Meeting: Board Meeting

Budgeted Amount: \$5000.

To: Board of Directors

Cost Estimate: \$5000

From: General Manager

Funding Source: 120/130

Written by: Administrative Services Manager

Funding Account #: 500-5040

Project Name: N/A

Project #: N/A

AGENDA ITEM #: 4

AGENDA ITEM TITLE: Consider Approval and Adoption of Resolution 2026-09 Resolution of the Hidden Valley Lake Community Services District – Consolidation of Election

SUMMARY: The terms of office for two (2) members of the Board of Directors expire December 2026 and must be placed before the voters at the next general district election for the remainder of the term, which expires in December 2026.

Adoption of the proposed resolution will formally call the election for these two Board positions and request that the election be consolidated with the November 3, 2026, General Election administered by the Lake County Registrar of Voters.

BACKGROUND/ANALYSIS: The Hidden Valley Lake Community Services District is governed by a five-member Board of Directors elected by registered voters residing within the District.

Pursuant to California Elections Code Section 10400 et seq., district elections may be consolidated with statewide or local elections occurring on the same date when approved by the appropriate election officials. Consolidation allows the District election to be conducted using the same precincts, polling places, election officers, and vote-by-mail procedures utilized by Lake County for the General Election.

One (1) Director seat currently held by an elected Board member will reach the end of their four-year terms in December 2026. Additionally, one (1) Director seat that was filled by Board appointment under Government Code Section 1780 must appear on the November 3, 2026, ballot for voter election.

HIDDEN VALLEY LAKE COMMUNITY SERVICES DISTRICT

STAFF REPORT

RECOMMENDATION: Approve and Adopt Resolution 2026-09 – Consolidation of Election

ATTACHMENTS: A) Resolution 2026-09 Resolution of the Hidden Valley Lake Community Services District – Consolidation of Election, B) Notice of Elective Offices

1 RESOLUTION OF THE BOARD OF DIRECTORS OF THE
2 HIDDEN VALLEY LAKE COMMUNITY SERVICES DISTRICT
3 COUNTY OF LAKE, STATE OF CALIFORNIA

4 RESOLUTION NO. 2026-09

5 WHEREAS, the Hidden Valley Lake Community Services District is governed by
6 five (5) Directors elected by the registered voters of the District; and

7 WHEREAS, two (2) full four-year terms of offices of Director will expire in
8 December 2026; and

9 WHEREAS, pursuant to Section 10400 et seq. of the Elections Code, State of
10 California, the Hidden Valley Lake Community Services District Election may be
11 consolidated with elections called to be held on the same day as the General Election
12 by other political subdivisions, in the same territory, or in territory that is in part the
13 same.

14 NOW, THEREFORE, BE IT RESOLVED THAT:

15 1. The Board of Supervisors and the Registrar of Voters office are
16 requested to consent to and order the consolidation of said election with such other
17 elections as may be held Tuesday, November 3, 2026, anywhere within the territory of
18 the district.

19 2. All voting places, precincts, and election officials within the boundaries of
20 the Hidden Valley Lake Community Services District shall be the same as those utilized
21 for the November 3, 2026, General Election.

22 This Resolution was adopted by the Board of Directors of the Hidden Valley
23 Lake Community Services District at a meeting thereof held on the **15th day of July,**
24 **2026**, by the following vote:

AGENDA ITEM #: 5

AGENDA ITEM TITLE: Consider Approval of Directors Compensation Adjustment per Ordinance No. 61

SUMMARY: Ordinance No. 61 Establishing Compensation and Reimbursement of Expenses for Directors was adopted on July 1, 2025.

BACKGROUND/ANALYSIS: Directors compensation for the Hidden Valley Lake Community Services District is adjusted each July based on the percentage change in the Consumer Price Index (CPI), up to a maximum of 5%. The Ordinance further stipulates that any resulting increase is to be rounded to the nearest whole dollar. Effective July 2026, the CPI change is 2.2%. Applying this adjustment to the current rate of \$197.99 and following the rounding requirement stated in Section 1 (B), the compensation increases to \$202.00 per meeting attendance or other Board service, not to exceed six (6) days per calendar month.

RECOMMENDATION: Consider Approval of Directors Compensation Adjustment per Ordinance No. 61

ATTACHMENTS: Hidden Valley Lake Community Services District Ordinance No. 61

ORDINANCE NO. 61

**AN ORDINANCE OF THE BOARD OF DIRECTORS OF THE HIDDEN VALLEY LAKE
COMMUNITY SERVICES DISTRICT ESTABLISHING COMPENSATION AND
REIMBURSEMENT OF EXPENSES FOR DIRECTORS**

WHEREAS, Hidden Valley Lake Community Services District ("District") may compensate its officials pursuant to the Community Services District Law, Government Code Section 61047 and Water Code Section 20200 *et seq.*; and

WHEREAS, Water Code Section 20201 authorizes the Board of Directors ("Board") of the District to provide compensation to its members in an amount not to exceed one hundred dollars (\$100) per day for each day's attendance at meetings of the Board, or for each day's service rendered as a member of the Board, for not more than a total of ten (10) days in any calendar month; and

WHEREAS, Water Code Section 20202 further provides that the amount of compensation to be received by members of the Board may be increased by an amount equal to 5% for each calendar year following the operative date of the last adjustment of the compensation; and

WHEREAS, Water Code Section 20201 further provides that such compensation and/or increases thereof shall be enacted by the Board only by ordinance adopted following a public hearing; and

WHEREAS, Government Code Section 61047 and Water Code Section 20201.5 also provide that members of the Board may receive their actual and necessary travel and incidental expenses incurred while on official business and that reimbursement for these expenses is subject to Government Code Sections 53232.2 and 53232.3; and

WHEREAS, the Board last set its compensation in Resolution 2011-04 on May 17, 2011, pursuant to Government Code Section 61047; and

WHEREAS, the Board desires to update the policy regarding Director compensation for attendance of meetings as authorized pursuant to Water Code Sections 20200 *et seq.*; and

WHEREAS, in accordance with Water Code Section 20203 and Government Code Section 6066, a public hearing was held on April 15, 2025, at 7:00 p.m., and a notice of said hearing was duly published in the newspaper once a week for two weeks prior to the hearing.

NOW THEREFORE, BE IT RESOLVED by the Board of Directors of the Hidden Valley Lake Community Services District, as follows:

SECTION 1. ORDINANCE

(A). Purpose.

This ordinance is enacted for the purpose of establishing compensation for members of the Hidden Valley Lake Community Services District ("District") Board of Directors ("Board") for service rendered in their official capacity as a Director of the District.

(B). Compensation.

The daily compensation for all members of the Board of the District shall be one hundred and ninety-seven dollars and ninety-nine cents (\$197.99) per day for each day's attendance at meetings, or for each day's service rendered as a member of the Board.

Beginning in the year 2026, and annually thereafter, the daily compensation shall adjust by the percentage change in the Consumer Price Index (CPI-U for San Francisco) February to February Data, and applied to the first pay date in July, up to five percent (5%), and rounded to the nearest whole dollar, unless a majority of the Board declines to accept the indexed change.

(C). Official Service.

The following activities shall be considered service rendered in an official capacity that is eligible for compensation under this Ordinance:

- 1) Attendance by any Director at a meeting of the District, whether regular, special, or emergency.
- 2) Attendance by any Director at a committee meeting or hearing of the District.
- 3) Attendance at District-related activities if the Director is designated by the Board as the District's primary representative on the Hidden Valley Lake Community Services District Affiliation Listing, which shall be deemed to be approved in advance by Board action.
- 4) Attendance at orientation, educational activities, site visits, trainings, and briefings for Board member(s) organized by District staff.
- 5) Attendance at training programs that Board members must take as required by law (e.g., ethics training and sexual harassment prevention training) located in the State of California or webinars.
- 6) Attendance by any Director in their official capacity at water or wastewater related conferences, seminars, or educational events.
- 7) All other activities must be approved by the Board and compensation specifically authorized in order to be considered service rendered in an official capacity that is eligible for compensation under this Ordinance.

(D). Written Reports for Days of Service

As required pursuant to Government Code Section 61047(e)(2)-(5), a Director must timely submit a written report at the Board of Directors' meeting following a day of service or activity for which compensation under this Ordinance is sought.

(E). Number of Days.

The number of days for which the Board members may receive compensation shall not exceed six (6) days per calendar month, combined between attendance at meetings of the Board, committee meetings, or other service in their official capacity.

(F). Expenses Allowed for Reimbursement.

Expenditures of Directors for travel shall be allowed in general accordance with the following criteria, if satisfactory evidence is provided:

- 1) Registration Fees: A registration or similar fee charged by the organizers of any conference, convention, or meeting.
- 2) Lodging: Amounts equivalent to the cost of a standard single occupancy room at the facility at which the conference or meeting is held, or comparable nearby lodging. In instances where conference hotels are filled, the Director should attempt to secure comparable rates at a nearby hotel. Directors must make reasonable and prudent determinations regarding pre- and post-lodging arrangements for each approved event. Directors must take into consideration the event program schedule, location and travel mode, and other activities related to the Director's duties or purpose at the event.
- 3) Transportation:
 - a. Air Travel: Amounts equivalent to the cost of coach class round-trip airfare from Oakland, San Jose, Sacramento, or San Francisco to an airport reasonably near the destination.
 - b. Rental Cars: The cost of a midsize rental car to and from, or at the destination. In the event a rental car must be utilized, the collision waiver must be added to the rental contract to cover any damage that may occur to the rental car.
 - c. Mileage: Travel to and from the destination using a private automobile at the then applicable IRS mileage rate. When more than one District official travels in the same private automobile, allowance will be made to only the owner or lessor of the vehicle used.
 - d. Tolls and Parking: Tolls, parking, and other similar charges. Parking shall be at "non-valet" and "long-term" rates whenever available.
- 4) Meals: Actual and reasonable costs of meals while traveling, up to the U.S. General Services Administration (GSA) per diem rate. GSA rates are considered on a fiscal year basis, and thus the Board will consider the updated rates when setting the yearly budget. Directors shall exercise discretion in the selection of restaurants and

when incurring costs for meals. No costs for any alcoholic beverages shall be eligible for reimbursement. The maximum daily reimbursement shall also be reduced by the amount associated with the meals that a Director would normally have taken on their personal behalf before departure or after their return.

- 5) Incidental Expenses: Reasonable incidental expenditures related to travel or the conduct of District business in amounts less than \$10 per item without receipt. These include items such as parking at meters, baggage handling, phone charges, tips for services received, and other similar expenses.

If a receipt is lost, the Director shall note this fact on their Director Expense Sheet along with a brief explanation and estimate of the expense. In such cases, copies of credit card statements and/or checking account charges that show the date and amount of the charge and the payee are acceptable substitutes. The General Manager, or designee, shall apply reasonable discretion, as supported by the evidence of the situation, and determine the actual amount to be reimbursed.

(G). Expenses Not Allowed for Reimbursement.

- 1) Direct or incremental expenses of family members or guests traveling with a Director, such as the added cost of upgrading a room or rental car to accommodate a non-District traveling companion.
- 2) Expenses unrelated to approved travel or event attendance. Allowable expenses as specified herein are reimbursable only for the time while the approved official activity is occurring, with reasonable allowance for the need to arrive in advance of or depart after a conference or business meeting.
- 3) Expenses occurred in connection with partisan or nonpartisan political activities or events.
- 4) Expenses not submitted for reimbursement with forty-five (45) calendar days of being incurred.
- 5) Where a required written report has not been timely submitted as required by this Ordinance.

(H). Payment.

The District shall pay all Board members per day for service rendered in their official capacity as provided pursuant to this Ordinance.

SECTION 2. PUBLICATION

This Ordinance shall be published once within thirty (30) calendar days after adoption in a newspaper of general circulation printed, published, and circulated in the District's jurisdiction.

SECTION 3. EFFECTIVE DATE

Pursuant to Water Code Section 20204, this Ordinance shall become effective sixty (60) calendar days from the date of its approval, which shall be July 1, 2025.

SECTION 4. PETITION TO PROTEST

As required by Water Code Section 20204, if a written petition protesting the adoption of this Ordinance is presented to the Board by July 1, 2025, this Ordinance shall be suspended, and the Board shall reconsider this Ordinance.

SECTION 5. REPEAL AND AMENDMENT

This Ordinance supersedes all prior ordinances, resolutions, and policies on Director compensation. This Ordinance may be repealed or amended at any time in the future by a majority vote of the Board of Directors consistent with applicable law.

SECTION 6. SEVERABILITY

If any section, subsection, clause, or phrase of this Ordinance is for any reason held to be invalid or unconstitutional by a decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of the Ordinance. This Board declares that it would have adopted this Ordinance and each and every section, subsection, sentence, clause, or phrase not declared invalid or unconstitutional without regard to whether any portion of the Ordinance would be subsequently declared invalid or unconstitutional.

SECTION 7. IMPLEMENTATION

The General Manager is hereby authorized to develop such forms and procedures as may be necessary to implement this Ordinance.

PASSED AND ADOPTED by the Board of Directors of the Hidden Valley Lake Community Services District on the 1st day of July 2025, by the following vote:

AYES: (5) Directors Graves, Millerick, Metcalf, Lieberman and Freeman

NOES: (0)

AGENDA ITEM #: 6

AGENDA ITEM TITLE: Consider Approval of Transition of Credit Card Service Provider to Five Star Bank

SUMMARY: Following the District's recent transition to Five Star Bank for banking services, staff recommends moving credit card services to the same institution to support operational consistency and better integration of financial services.

BACKGROUND/ANALYSIS: Under Policy 3022, credit cards may be issued to employees. Since 2008 the District has engaged Elan/West America Bank for credit card services. Interest charges are avoided by paying the full balance each month. Following the recent transition of the District's primary banking services to Five Star Bank, staff recommends moving credit card services to Five Star Bank as well to consolidate financial services and streamline accounting processes. This transition will not change the District's practice of paying balances in full to avoid interest or alter the requirements of Policy 3022. If the Board of Directors approves at the July 15, 2026, meeting, staff will move forward with setting up new credit card services through Five Star Bank. Once established, staff will pay off the balance on the Elan/West America account and officially close it.

RECOMMENDATION: Consider Approval of Transition of Credit Card Service Provider to Five Star Bank.

ATTACHMENTS: A) Five Star Bank Credit Card Features & Benefits, B) Policy 3022 Credit Card Use

ADDITIONAL SERVICES

Corporate Card/Purchasing Card Features and Benefits.

Our Corporate Card is a secure and convenient payment solution for business expenditures, including travel and entertainment expenses. It is a powerful cash management tool for routine purchases and procurement with advanced controls to help streamline your invoice payment processes.

Card benefits include:

- Robust Online Portal: Real-time online card management tool to manage issued cards. Card management options include card issuance/cancellation, limit changes, Merchant Category Code (MCC) restrictions, balance and transaction reporting, and online statements.
- **Multiple Card Types Available**
 - Card-in-hand: Physical cards issued to each card holder for purchases.
 - Ghost Cards: A secure non-plastic card type that can be used to assign a designated card number to a department, function/purpose or vendor name for repetitive subscription payments, card on file payments, online and telephone payments.
 - Virtual Cards: A secure non-plastic card type that secures your account information via a unique one-time use card number for payment to a specified merchant/supplier for a specified amount. Once the virtual card number is used, it expires.
- Complimentary Online Expense Management Application – Available for card transactions, employee personal expenses, and mileage reimbursements. GL mapping and configurable extract files are available to automate the posting of transactions to your financial accounting system.
- Alerts and Control Notifications – Receive real-time card balance and transaction alerts via text and/or email.
- Cash Incentive Rebate Available – A cash rebate option up to 1% is available on qualified purchases. Rebates are automatically credited to your Five Star Bank account the following year in January (as seen on the page below).
- No Annual Fee – No annual fee is assessed
- Interest – Interest will not be charged on purchases when you pay your entire statement balance by the due date each month.
- Mastercard Benefits – Includes comprehensive travel benefits and MasterCoverage® liability protection program.
- Local Underwriting – All credit limits and limit changes are underwritten and approved in-house by Five Star Bank.

Corporate Card/Purchasing Card Sample Program Disclosure

PURCHASING CARD ANNUAL REBATE PROGRAM DISCLOSURE

The terms associated with your **Purchasing Card Annual Rebate Program** are summarized below. All terms and conditions of the Purchasing Card Account Agreement remain in full force and effect.

PROGRAM SUMMARY

For the purposes of this disclosure, Five Star Bank may be referred to as “we,” “us,” or “our” and **[Customer Name]** and its Authorized Users may be referred to as “you,” “your,” or “yours.”

PROGRAM ELIGIBILITY If you are approved to participate in the Annual Rebate Program, your Account will be automatically enrolled. Your Purchasing Card Account must remain open to future transactions and your Five Star Bank deposit account and over-all Five Star Bank relationship; including but not limited to, deposit accounts, loans, lines of credit, letters of credit, and other Bank services must also be open, active, and maintained in good standing to receive the Rebate. **A Minimum of \$25,000 Qualified Net Purchase Activity is required during the Rebate Period to participate in the Program.**

REBATE You can earn a rebate for each \$1.00 of Net Purchases (defined below) posted to your Purchasing Card Account. You are solely responsible for any taxes that may be owed as a result of receiving a Rebate.

Rebate Tiers Five Star Bank offers a rebate based on annual Qualified Net Purchase volume as follows:

Qualified Net Purchase Activity	Rebate %
\$25,000 - \$250,000	0.25%
\$250,001 - \$750,000	0.50%
\$750,001 and over	1.00%

FORFEITURE If the Purchasing Card Account or your deposit account is closed for any reason, enrollment in the Purchasing Card Annual Rebate Program will be terminated and any accumulated Rebate(s) that have not already been credited to your deposit account will be forfeited. Additionally, you will no longer be eligible to earn or otherwise participate in the Annual Rebate Program.

REBATE PERIOD The Rebate Period begins once you are enrolled into the Annual Rebate Program and after your first Purchasing Card transaction. The Rebate Period ends on December 31st each year and resumes at the beginning (January 1) of the next year, ending again on December 31st of subsequent years.

QUALIFIED NET PURCHASE ACTIVITY You will earn a Rebate for each one dollar (\$1.00) of all new retail purchases less credits, returns and adjustments (“Net Purchases”) charged in the Rebate Period made by you using the Purchasing Card.

Page 1 of 2 (continued)

The following are not considered **Qualified Net Purchase Activity**:

- Balance Transfers
- Cash advances
- Cashier's checks
- Money Orders
- Convenience checks
- Gift cards
- Prepaid cards
- ATM cash disbursements
- Purchases of foreign currency
- Returns and Credits
- Disputed charges (pending investigation)
- Unauthorized/Fraudulent transactions
- Fees
- Loan Payments
- Interest charges

ANNUAL REBATE DISBURSEMENT Five Star Bank will post your Rebate earnings by the last day of January, following the Rebate Period. Rebates will be posted to your Five Star Bank deposit account based on your Net Purchases from the preceding year. There is no minimum or maximum Rebate you may earn. Rebates earned will be paid in U.S. Dollars and rounded to the nearest cent.

AMENDMENTS and TERMINATION Five Star Bank may change or terminate the Program or the amount of the Rebate in its discretion at any time with or without prior notice except where required by law. Five Star Bank also reserves the right, at its sole discretion, to disqualify **[Customer Name]** and its Authorized Users from receiving Rebates and to forfeit any and all Rebates earned but not yet paid for abuse, fraud, or any violations of these terms, the Purchasing Card Account Agreement terms and conditions, or your deposit account agreement terms.

DISPUTES If you dispute any aspect with respect to your Purchasing Card Annual Rebate Program, including a dispute regarding the Rebates earned or deposited, you must notify us within sixty (60) days of the date of the Annual Rebate Disbursement, in writing at:

Five Star Bank
Attn: Credit Card Operations
2240 Douglas Blvd, Suite 100
Roseville, CA 95661
creditcardops@fivestarbanc.com
Toll Free: (800) 416-6117

If you do not properly notify us in this timeframe, we will have no obligation to you to adjust any error.

SIGNATURES

I (we) hereby affirm that I have reviewed and agree to the above stated Purchasing Card Annual Rebate Program terms. By signing below, I authorize Five Star Bank to issue a rebate based on the terms above on an annual basis.

POLICY 3022 CREDIT CARD USE

3022.1 Policy

Any employee issued a District credit card will only make purchases that are budgeted, necessary and/or authorized business expenditures, and that are within the approved dollar limits as determined by the General Manager.

The credit card must not be used for the cardholder's personal purchases. Failure to comply with program guidelines may result in permanent revocation of the card, notification of the situation to management, and further disciplinary measures that may include involuntary termination.

3022.2 Administration

All cardholders are required to sign a purchasing/credit cardholder agreement.

The Cardholder must ensure the security of the card while in their possession.

Upon leaving the District's employ, card holders must immediately return the District-issued card to the Accounting Supervisor and/or the HR Administrator.

If the card is lost or stolen, the Cardholder shall immediately notify the District's Accounting Supervisor and/or the HR Administrator.

DISTRICT CREDIT CARD USE AGREEMENT FORM

You are empowered as a responsible agent to safeguard District assets. Your signature below is verification that you have read and comply with the responsibilities outlined in Policy 3022.

1. I understand the card is only for District-approved purchases and I agree not to charge personal purchases.
2. Improper use of this card can be considered misappropriation of District funds. This may result in disciplinary action, up to and including termination of employment.
3. If the card is lost or stolen, I will immediately notify the Accounting Supervisor, HR Administrator and/or General Manager.
4. I agree to surrender the card immediately upon termination of employment, whether for retirement, voluntary or involuntary reasons.
5. The card is issued in my name. I am considered responsible for all charges against the card.
6. All charges will be billed directly to and paid directly by the District.
7. As the card is District property, I understand that I am required to comply with internal control procedures designed to protect District assets and must produce all receipts in a timely manner.
8. I understand the card is not necessarily provided to all employees. Assignment is based on my need to purchase materials for the District and/or to provide for District travel. My card may be revoked based on change of assignment or location. I understand that the card is not an entitlement nor reflective of title or position.

I acknowledge that I have
received a District-issued credit card # _____ - _____ - _____ - _____

AGENDA ITEM #: 7

AGENDA ITEM TITLE: Review of Smith & Newell CPA Communication and Engagement Letter for FY 2025-26

SUMMARY: On June 9, 2026 the District received the required communication and engagement letter from the external auditor for fiscal year 2025-26. This documentation outlines the scope of the audit, the responsibilities of both the District and the audit firm, and the timeline for the upcoming financial review process. The receipt of these documents marks the formal commencement of the annual audit cycle, ensuring compliance with governmental accounting standards and transparency requirements.

BACKGROUND/ANALYSIS: Staff has now begun the necessary preparations for the auditor's onsite field visit, which is scheduled to take place from September 1 through September 3. We are currently organizing all required documentation and ensuring that all relevant staff are available to assist the auditors, which will help us maintain our commitment to financial transparency and accountability.

RECOMMENDATION: Review of Smith & Newell CPA, Communication and Engagement Letter for FY 2025-26.

ATTACHMENTS: A) Smith & Newell CPA Communication Letter, B) Engagement Letter for FY 2025-26.

COMMUNICATION WITH THOSE CHARGED WITH GOVERNANCE DURING PLANNING

June 9, 2026

To the Board of Directors
Hidden Valley Lake Community Services District

We are engaged to audit the financial statements of the business-type activities and each major fund of Hidden Valley Lake Community Services District (District) for the year ended June 30, 2026. Professional standards require that we provide you with the following information related to our audit. We would also appreciate the opportunity to meet with you to discuss this information further since a two-way dialogue can provide valuable information for the audit process.

Our Responsibility under U.S. Generally Accepted Auditing Standards, Government Auditing Standards, and the Uniform Guidance

As stated in our engagement letter, our responsibility, as described by professional standards, is to express opinions about whether the financial statements prepared by management with your oversight are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles. Our audit of the financial statements does not relieve you or management of your responsibilities.

In planning and performing our audit, we will consider the District's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinions on the financial statements and not to provide assurance on the internal control over financial reporting. We will also consider internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with the Uniform Guidance.

As part of obtaining reasonable assurance about whether the District's financial statements are free of material misstatement, we will perform tests of its compliance with certain provisions of laws, regulations, contracts, and grants. However, providing an opinion on compliance with those provisions is not an objective of our audit. Also in accordance with the Uniform Guidance, we will examine, on a test basis, evidence about the District's compliance with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Compliance Supplement applicable to each of its major federal programs for the purpose of expressing an opinion on the District's compliance with those requirements. While our audit will provide a reasonable basis for our opinion, it will not provide a legal determination on the District's compliance with those requirements.

Our responsibility is to plan and perform the audit to obtain reasonable, but not absolute, assurance that the financial statements are free of material misstatement. As part of our audit, we will consider the system of internal control of the District. Such considerations will be solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures specifically to identify such matters

Generally accepted accounting principles provide for certain required supplementary information (RSI) to supplement the basic financial statements. Our responsibility with respect to the management's discussion & analysis, the District pension plan information, and the District OPEB plan information, which supplement the basic financial statements, is to apply certain limited procedures in accordance with generally accepted auditing standards. However, the RSI will not be audited and, because the limited procedures do not provide us with sufficient appropriate evidence to express an opinion or provide any assurance, we will not express an opinion or provide any assurance on the RSI.

We have been engaged to report on combining fund financial statements, which accompany the financial statements but are not RSI. Our responsibility for this supplementary information, as described by professional standards, is to evaluate the presentation of the supplementary information in relation to the financial statements as a whole and to report on whether the supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole.

We have not been engaged to report on the schedule of expenditures of federal awards and the introductory section, which accompany the financial statements but are not RSI. Our responsibility with respect to this other information in documents containing the audited financial statements and auditor's report does not extend beyond the financial information identified in the report. We have no responsibility for determining whether this other information is properly stated. This other information will not be audited and we will not express an opinion or provide any assurance on it.

Planned Scope, Timing of the Audit, Significant Risks, and Other

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested.

Our audit will include obtaining an understanding of the entity and its environment, including the system of internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. Material misstatements may result from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the entity or to acts by management or employees acting on behalf of the entity. We will generally communicate our significant findings at the conclusion of the audit. However, some matters could be communicated sooner, particularly if significant difficulties are encountered during the audit where assistance is needed to overcome the difficulties or if the difficulties may lead to a modified opinion. We will also communicate any internal control related matters that are required to be communicated under professional standards.

We have identified the following significant risk(s) of material misstatement as part of our auditing planning:

- Improper revenue recognition
- Management override of controls
- Unauthorized payments and inadequate support for disbursements

Norman Newell is the engagement partner and is responsible for supervising the engagement and signing the report or authorizing another individual to sign it.

This information is intended solely for the use of the Board of Directors and management of the District and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Smith & Newell CPAs

ENGAGEMENT LETTER

June 9, 2026

To the Board of Directors
Hidden Valley Lake Community Services District

We are pleased to confirm our understanding of the services we are to provide for Hidden Valley Lake Community Services District for the year ended June 30, 2026.

Audit Scope and Objectives

We will audit the financial statements of the business-type activities and each major fund, and the disclosures, which collectively comprise the basic financial statements, of the District as of and for the year ended June 30, 2026. Accounting standards generally accepted in the United States of America (GAAP) provide for certain required supplementary information (RSI), such as management's discussion and analysis (MD&A), to supplement the District's basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the District's RSI in accordance with auditing standards generally accepted in the United States of America (GAAS). These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient appropriate evidence to express an opinion or provide any assurance. The following RSI is required by GAAP and will be subjected to certain limited procedures, but will not be audited:

- 1) Management's Discussion and Analysis.
- 2) District pension plan information.
- 3) District OPEB plan information.

We have also been engaged to report on supplementary information other than RSI that accompanies the District's financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS, and we will provide an opinion on it in relation to the financial statements as a whole in a report combined with our auditor's report on the financial statements.

- 1) Schedule of expenditures of federal awards.
- 2) Combining fund financial statements.

In connection with our audit of the basic financial statements, we will read the following other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

1) Introductory Section

The objectives of our audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinions about whether your financial statements are fairly presented, in all material respects, in conformity with GAAP, and report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment of a reasonable user made based on the financial statements. The objectives also include reporting on:

- Internal control over financial reporting and compliance with provisions of laws, regulations, contracts, and award agreements, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards*.
- Internal control over compliance related to major programs and an opinion (or disclaimer of opinion) on compliance with federal statutes, regulations, and the terms and conditions of federal awards that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996 and Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance).

Auditor's Responsibilities for the Audit of the Financial Statements and Single Audit

We will conduct our audit in accordance with GAAS; the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the Single Audit Act Amendments of 1996; and the provisions of the Uniform Guidance, and will include tests of accounting records, a determination of major program(s) in accordance with Uniform Guidance, and other procedures we consider necessary to enable us to express such opinions. As part of an audit in accordance with GAAS and *Government Auditing Standards*, we exercise professional judgment and maintain professional skepticism throughout the audit.

We will evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management. We will also evaluate the overall presentation of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the government or to acts by management or employees acting on behalf of the government. Because the determination of waste and abuse is subjective, *Government Auditing Standards* do not expect auditors to perform specific procedures to detect waste or abuse in financial audits nor do they expect auditors to provide reasonable assurance of detecting waste or abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements or noncompliance may not be detected by us, even though the audit is properly planned and performed in accordance with GAAS and *Government Auditing Standards*. In addition, an audit is not designed to

detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or on major programs. However, we will inform the appropriate level of management of any material errors, any fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. We will include such matters in the reports required for a Single Audit. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

We will also conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the government's ability to continue as a going concern for a reasonable period of time.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, tests of the physical existence of inventories, and direct confirmation of receivables and certain assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We will also request written representations from your attorneys as part of the engagement.

We have identified the following significant risk(s) of material misstatement as part of our audit planning:

- Improper revenue recognition
- Management override of controls
- Unauthorized payments of inadequate support for disbursements

Our audit of financial statements does not relieve you of your responsibilities.

Audit Procedures—Internal Control

We will obtain an understanding of the government and its environment, including the system of internal control, sufficient to identify and assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinions. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

As required by the Uniform Guidance, we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to the Uniform Guidance.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards, *Government Auditing Standards*, and the Uniform Guidance.

Audit Procedures—Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the District's compliance with provisions of applicable laws, regulations, contracts, and agreements, including grant agreements. However, the objective of those procedures will not be to provide an opinion on overall compliance, and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

The Uniform Guidance requires that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with federal statutes, regulations, and the terms and conditions of federal awards applicable to major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the *OMB Compliance Supplement* for the types of compliance requirements that could have a direct and material effect on each of the District's major programs. For federal programs that are included in the Compliance Supplement, our compliance and internal control procedures will relate to the compliance requirements that the Compliance Supplement identifies as being subject to audit. The purpose of these procedures will be to express an opinion on the District's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to the Uniform Guidance.

Responsibilities of Management for the Financial Statements and Single Audit

Our audit will be conducted on the basis that you acknowledge and understand your responsibility for (1) designing, implementing, establishing, and maintaining effective internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including internal controls over federal awards, and for evaluating and monitoring ongoing activities to help ensure that appropriate goals and objectives are met; (2) following laws and regulations; (3) ensuring that there is reasonable assurance that government programs are administered in compliance with compliance requirements; and (4) ensuring that management and financial information is reliable and properly reported. Management is also responsible for implementing systems designed to achieve compliance with applicable laws, regulations, contracts, and grant agreements. You are also responsible for the selection and application of accounting principles; for the preparation and fair presentation of the financial statements, schedule of expenditures of federal awards, and all accompanying information in conformity with accounting principles generally accepted in the United States of America; and for compliance with applicable laws and regulations (including federal statutes), rules, and the provisions of contracts and grant agreements (including award agreements). Your responsibilities also include identifying significant contractor relationships in which the contractor has responsibility for program compliance and for the accuracy and completeness of that information.

You are also responsible for making drafts of financial statements, schedule of expenditures of federal awards, all financial records, and related information available to us; for the accuracy and completeness of that information (including information from outside of the general and subsidiary ledgers); and for the evaluation of whether there are any conditions or events, considered in the aggregate, that raise substantial doubt about the government's ability to continue as a going concern for the 12 months after the financial statements date or shortly thereafter (for example, within an additional three months if currently known). You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, identification of all related parties and all related-party relationships and transactions, and other matters; (2) access to personnel, accounts, books, records, supporting documentation, and other information as needed to perform an audit under the Uniform Guidance; (3) additional information that we may request for the purpose of the audit; and (4) unrestricted access to persons within the government from whom we determine it necessary to obtain audit evidence. At the conclusion of our audit, we will require certain written representations from you about the financial statements; schedule of expenditures of federal awards; federal award programs; compliance with laws, regulations, contracts, and grant agreements; and related matters.

Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during

the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements of each opinion unit taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the government involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the government received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the government complies with applicable laws, regulations, contracts, agreements, and grants. You are also responsible for taking timely and appropriate steps to remedy fraud and noncompliance with provisions of laws, regulations, contracts, and grant agreements that we report. Additionally, as required by the Uniform Guidance, it is management's responsibility to evaluate and monitor noncompliance with federal statutes, regulations, and the terms and conditions of federal awards; take prompt action when instances of noncompliance are identified including noncompliance identified in audit findings; promptly follow up and take corrective action on reported audit findings; and prepare a summary schedule of prior audit findings and a separate corrective action plan. The summary schedule of prior audit findings should be available for our review at the date of fieldwork.

You are responsible for identifying all federal awards received and understanding and complying with the compliance requirements and for the preparation of the schedule of expenditures of federal awards (including notes and noncash assistance received, and COVID-19-related concepts, such as lost revenues, if applicable) in conformity with the Uniform Guidance. You agree to include our report on the schedule of expenditures of federal awards in any document that contains, and indicates that we have reported on, the schedule of expenditures of federal awards. You also agree to include the audited financial statements with any presentation of the schedule of expenditures of federal awards that includes our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the schedule of expenditures of federal awards in accordance with the Uniform Guidance; (2) you believe the schedule of expenditures of federal awards, including its form and content, is stated fairly in accordance with the Uniform Guidance; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the schedule of expenditures of federal awards.

You are also responsible for the preparation of the other supplementary information, which we have been engaged to report on, in conformity with U.S. generally accepted accounting principles (GAAP). You agree to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. You also agree to include the audited financial statements with any presentation of the supplementary information that includes our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the supplementary information in accordance with GAAP; (2) you believe the supplementary information, including its form and content, is fairly presented in accordance with GAAP; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying and providing report copies of previous financial audits, attestation engagements, performance audits, or other studies related to the objectives discussed in the Audit Scope and Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions for the report, and for the timing and format for providing that information.

Other Services

We will also assist in preparing the financial statements, schedule of expenditures of federal awards, and related notes of the District in conformity with accounting principles generally accepted in the United States of America and the Uniform Guidance based on information provided by you. These nonaudit services do not constitute an audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*. We will perform the services in accordance with applicable professional standards. The other services are limited to the financial statements, schedule of expenditures of federal awards, and related notes services previously defined. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

You agree to assume all management responsibilities for the financial statements, schedule of expenditures of federal awards, and related notes, and any other nonaudit services we provide. You will be required to acknowledge in the management representation letter our assistance with preparation of the financial statements, the schedule of expenditures of federal awards, and related notes and that you have reviewed and approved the financial statements, the schedule of expenditures of federal awards, and related notes prior to their issuance and have accepted responsibility for them. Further, you agree to oversee the nonaudit services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of those services; and accept responsibility for them.

Engagement Administration, Fees, and Other

We understand that your employees will prepare all cash, accounts receivable, or other confirmations we request and will locate any documents selected by us for testing.

At the conclusion of the engagement, we will complete the appropriate sections of the Data Collection Form that summarizes our audit findings. It is management's responsibility to electronically submit the reporting package (including financial statements, schedule of expenditures of federal awards, summary schedule of prior audit findings, auditor's reports, and corrective action plan) along with the Data Collection Form to the Federal Audit Clearinghouse. We will coordinate with you the electronic submission and certification. The Data Collection Form and the reporting package must be submitted within the earlier of 30 calendar days after receipt of the auditor's reports or nine months after the end of the audit period.

We will provide copies of our reports to the District; however, management is responsible for distribution of the reports and the financial statements. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

The audit documentation for this engagement is the property of Smith & Newell CPAs and constitutes confidential information. However, subject to applicable laws and regulations, audit documentation and appropriate individuals will be made available upon request and in a timely manner to the California State Controller's Office or its designee, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of Smith & Newell CPAs personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

The audit documentation for this engagement will be retained for a minimum of seven years after the report release date or for any additional period requested by the California State Controller's Office. If we are aware that a federal awarding agency, pass-through entity, or auditee is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation.

Norman Newell is the engagement partner and is responsible for supervising the engagement and signing the reports or authorizing another individual to sign them.

Our fee for these services will be as stated in our audit contract. The contracted fee is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the engagement. If significant additional time is necessary, we will keep you informed of any problems we encounter and our fees will be adjusted accordingly.

Reporting

We will issue written reports upon completion of our Single Audit. Our reports will be addressed to the governing board of the District. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinions, add a separate section, or add an emphasis-of-matter or other-matter paragraph to our auditor's report, or if necessary, withdraw from this engagement. If our opinions are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or issue reports, or we may withdraw from this engagement.

The *Government Auditing Standards* report on internal control over financial reporting and on compliance and other matters will state that (1) the purpose of the report is solely to describe the scope of testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance, and (2) the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. The Uniform Guidance report on internal control over compliance will state that the purpose of the report on internal control over compliance is solely to describe the scope of testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Both reports will state that the report is not suitable for any other purpose.

We appreciate the opportunity to be of service to the District and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign the attached copy and return it to us.

Very truly yours,

Smith & Newell CPAs

Title: Accounting Supervisor

Date: 6/9/2026

**ENGAGEMENT LETTER COMPILATION OF
ANNUAL REPORT OF FINANCIAL TRANSACTIONS**

June 9, 2026

To the Board of Directors
Hidden Valley Lake Community Services District

We are pleased to confirm our acceptance and understanding of the services we are to provide for Hidden Valley Lake Community Services District (District), for the year ended June 30, 2026.

You have requested that we prepare and compile the Annual Report of Financial Transactions of the District as of June 30, 2026.

Our Responsibilities

The objective of our engagement is to:

1. Prepare the Annual Report of Financial Transactions in accordance with the prescribed form of the California State Controller's Office based on information provided by you and
2. Apply accounting and financial reporting expertise to assist you in the presentation of the Annual Report of Financial Transactions without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the Annual Report of Financial Transactions in order for it to be in accordance with the prescribed form of the California State Controller's Office.

We will conduct our compilation engagement in accordance with the Statements on Standards for Accounting and Review Services (SSARS) promulgated by the Accounting and Review Services Committee of the AICPA and comply with the AICPA's Code of Professional Conduct, including the ethical principles of integrity, objectivity, professional competence, and due care, when preparing the financial information and performing the compilation engagement.

We are not required to, and will not, verify the accuracy or completeness of the information you will provide to us for the engagement or otherwise gather evidence for the purpose of expressing an opinion or conclusion. Accordingly, we will not express an opinion, a conclusion, nor provide any assurance on the Annual Report of Financial Transactions.

Our engagement cannot be relied upon to identify or disclose any misstatements, including those caused by fraud or error, or to identify or disclose any wrongdoing within the District or noncompliance with laws and regulations.

We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities since performing those procedures or taking such action would impair independence.

Your Responsibilities

The engagement to be performed is conducted on the basis that you acknowledge and understand that our role is to prepare the Annual Report of Financial Transactions in accordance with the prescribed form of the California State Controller's Office and assist you in the presentation of the Annual Report of Financial Transactions in accordance with the prescribed form of the California State Controller's Office. You have the following overall responsibilities that are fundamental to our undertaking the engagement in accordance with SSARS:

1. The selection of the prescribed form of the California State Controller's Office as the financial reporting framework to be applied in the preparation of the financial information.
2. The preparation and fair presentation of the Annual Report of Financial Transactions in accordance with the prescribed form of the California State Controller's Office.
3. The design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the Annual Report of Financial Transactions that is free from material misstatement, whether due to fraud or error.
4. The prevention and detection of fraud.
5. To ensure that the District complies with the laws and regulations applicable to its activities.
6. The accuracy and completeness of the records, documents, explanations, and other information, including significant judgments, you provide to us for the engagement.
7. To provide us with:
 - Access to all information of which you are aware is relevant to the preparation and fair presentation of the Annual Report of Financial Transactions, such as records, documentation, and other matters.
 - Additional information that we may request from you for the purpose of the compilation engagement.
 - Unrestricted access to persons within the District of whom we determine it necessary to make inquiries.

Our Report

As part of our engagement, we will issue a report that will state that we did not audit or review the Annual Report of Financial Transactions and that, accordingly, we do not express an opinion, a conclusion, nor provide any assurance on it. There may be circumstances in which the report differs from the expected form and content. If, for any reason, we are unable to complete the compilation of the Annual Report of Financial Transactions, we will not issue a report on such financial information as a result of this engagement.

You agree to include our accountant's compilation report in any document containing the Annual Report of Financial Transactions that indicates that we have performed a compilation on such Annual Report of Financial Transactions and, prior to the inclusion of the report, to obtain our permission to do so.

Other Relevant Information

Norman Newell is the engagement partner and is responsible for supervising the engagement and signing the report or authorizing another individual to sign it

The documentation for this engagement will be retained for a minimum of seven years after the report release date or for any additional period requested by the California State Controller's Office.

Our fee for these services will be as stated in our contract. The contracted fee is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the work

performed. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs.

You agree to hold us harmless and to release, indemnify, and defend us from any liability or cost, including attorney's fees, resulting from management's knowing misrepresentations to us.

We appreciate the opportunity to be of service to you and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you acknowledge and agree with the terms of our engagement as described in this letter, please sign the enclosed copy, and return it to us.

Sincerely,

Smith & Newell CPAs

HIDDEN VALLEY LAKE COMMUNITY SERVICES DISTRICT

STAFF REPORT

Meeting Date: July 15, 2026	Budgeted: Yes
Meeting: Finance Committee	Budgeted Amount: N/A
To: Finance Committee	Cost Estimate: N/A
From: General Manager	Funding Source: 120/130
Written by: General Manager	Funding Account #: 5-30-5010
Project Name: Lead Operator Pay Scale	Project #: N/A

AGENDA ITEM #: 8

AGENDA ITEM TITLE: Consider Approval of the Lead Operator Pay Scale with Job Description

SUMMARY: Review and Recommend the Approval of the Lead Operator Pay Scale with Job Description

BACKGROUND/ANALYSIS: The Personnel Committee has reviewed the Lead Operator position on two separate occasions and has completed its evaluation of the role. The position is now being presented to the Finance Committee for review and recommendation regarding the proposed pay scale.

The Lead Operator classification is intended to serve as an intermediate level between Operator II and the Utility Superintendent, filling a critical operational and leadership gap within the District's utility structure. The District has undergone two recommended organizational updates to the Operations Division — first in 2020 to create the Utility Superintendent position, and again in 2025 to establish Lead Operator positions. While there was some discussion of creating separate leads for Wastewater and Water, this recommendation calls for a single Lead Operator position cross-certified and capable of covering both water and wastewater operations (see Certification Requirements).

The reclassification of the Utility Superintendent as a salary-exempt position creates a corresponding need for Lead Operators who can participate in the on-call rotation, serve as the first point of support for on-call staff, and remain eligible for overtime as hourly employees.

The Lead Operator will serve as the primary operational contact and support for the Utility

HIDDEN VALLEY LAKE COMMUNITY SERVICES DISTRICT

STAFF REPORT

Superintendent, taking direction from that position while providing daily guidance and oversight to Operator II staff and lower classifications. Responsibilities include coordinating operations, troubleshooting system issues, and maintaining continuity of service. In the absence of the Utility Superintendent, the Lead Operator will serve as the primary resource for operational decision-making.

To establish an appropriate and competitive pay scale, the District conducted a comparative review of five (5) water and wastewater districts. This review included:

- Salary ranges for comparable positions
- Job descriptions and responsibilities
- Organizational structure and reporting relationships

This analysis confirmed that the Lead Operator position is typically compensated at a level above operator II classifications but below management-level positions.

Staff recommends establishing the Lead Operator pay scale as follows:

The pay scale is gauged to be between the Lead Operator and the Operator II position, and

This structure ensures:

- Provides operational support for the Utility Superintendent
- A meaningful promotional and growth opportunities in the organization
- Clear differentiation from supervisory/management roles
- Competitive alignment with comparable agencies
- Internal wage equity across classifications

RECOMMENDATION: Consider Approval of the Lead Operator Pay Scale with Job Description

ATTACHMENTS: Lead Operator Pay Scale with Job Description - Draft

Hidden Valley Lake Community Services District

Lead Operator

This class description is only intended to present a summary of the range of duties and responsibilities associated with the positions. Descriptions **may not include** all duties performed by individuals within the class. In addition, descriptions outline the minimum qualifications necessary for entry into the class and do not necessarily convey the qualifications of incumbents within the position.

SALARY RANGE

Reports to: Utility Superintendent					
Status: Non Exempt	Step A	Step B	Step C	Step D	Step E
	\$ 41.58	\$43.66	\$ 45.84	\$ 48.13	\$ 50.54

DEFINITION:

Under general supervision from the Utility Superintendent, the Lead Operator provides lead direction and work instruction to an assigned crew, troubleshoots and prioritizes maintenance and repair problems; performs the full range of work in support of District water treatment and distribution and/or wastewater collection system installation, inspection, preventive and corrective maintenance and repair activities; ensures safety policies and procedures are adhered to; inspects and performs preventive maintenance, servicing and mechanical repair of stationary pump and lift stations and mobile equipment; serves as the secondary designee to the Utility Superintendent and acts in their absence as directed by the General Manager.

Performs related duties as assigned.

SUPERVISION RECEIVED/EXERCISED:

Works under the direct supervision of the Utility Superintendent. Receives general oversight from the General Manager as required.

CLASS CHARACTERISTICS:

The Lead Operator performs advanced-level plant operations under limited supervision and coordinates the work activities of utility staff. The position is responsible for ensuring operational efficiency, regulatory compliance, and adherence to established policies and procedures.

Work at this level involves substantial variety and complexity and requires the consistent exercise of independent judgment in selecting appropriate work methods, materials, and operational procedures. Incumbents receive general instructions at the time of assignment and are expected to determine the proper procedures, techniques, and materials necessary to complete assigned tasks. Matters involving

significant deviations from standard practice or unanticipated problems are to be reported to the Utility Superintendent.

Incumbents routinely deliver training and technical guidance to employees in entry- and intermediate-level classifications to ensure compliance with established procedures and standards. Lead Operators assign, review, and guide the work of assigned staff; provide technical instruction and corrective feedback; and actively participate in all phases of plant operations to ensure safe, efficient, and effective facility performance.

Incumbents do not hire, evaluate, or discipline subordinates. Incumbents are expected to advise the Utility Superintendent of staff performance problems observed.

ESSENTIAL FUNCTIONS: *(but are not limited to the following)*

Lead Duties

- Lead, assign, coordinate, and review the work of utility operations staff engaged in the operation, maintenance, repair, and construction of water treatment and distribution, wastewater collection and treatment, and recycled water systems.
- Provide training, instruction, and technical guidance to assigned personnel; monitor work quality and ensure adherence to established procedures and safety standards.
- Plan and coordinate daily work activities; prioritize assignments; schedule staff, equipment, and materials to ensure timely completion of projects and service requests.
- Coordinate the procurement of materials, supplies, parts, and equipment necessary for the operation and maintenance of District facilities and infrastructure.
- Monitor system performance and regulatory compliance; make operational decisions and adjustments as necessary to maintain safe and efficient operations.
- Maintain and review operational records, logs, and compliance documentation; compile data and prepare draft reports for regulatory agencies for supervisory review and submission.
- Communicate with supervisors, contractors, regulatory agencies, and the public regarding operational activities, service interruptions, and customer concerns; respond to and assist in resolving complaints.
- Respond to emergencies and coordinate field response efforts; participate in on-call rotation and serve as a Disaster Service Worker as required.

Operational Duties

- Operate, monitor, maintain, troubleshoot, and repair water treatment and distribution systems, wastewater collection and treatment systems, and recycled water systems.
- Operate and maintain system equipment including pumps, valves, motors, blowers, hydrants, control valves, and dewatering equipment.
- Monitor and interpret gauges, meters, digital displays, laboratory results, and recording devices; make adjustments to ensure compliance with operational and safety standards.
- Collect water, wastewater, and recycled water samples; perform routine laboratory analyses and water quality testing.
- Perform preventative maintenance and minor repairs on mechanical, electrical, and related utility equipment.
- Read and interpret plans, specifications, and system diagrams; estimate material needs and coordinate equipment rental as necessary.

- Perform skilled and semi-skilled manual labor; operate and perform light maintenance on vehicles and heavy equipment including trucks, tractors, and backhoes.
- Conduct inspections of facilities, lift stations, treatment plants, pipelines, and related infrastructure to identify maintenance or safety issues.
- Assist with site cleanup and ensure proper handling and disposal of hazardous materials.
- Work independently or as part of a crew; work overtime, weekends, evenings, and holidays as required.

PHYSICAL, MENTAL AND ENVIRONMENTAL WORKING CONDITIONS:

The essential functions of this position may require the employee to perform the following physical activities. Some of these requirements may be accommodated for otherwise qualified individuals requiring and requesting such accommodation.

A Lead Operator oversees daily operations, ensures safety compliance, and supports team performance. The working conditions are outlined below:

Physical Conditions:

- Use the senses of smell to detect odors such as chlorine and hydrogen sulfide; detect temperature variations through touch; and hear frequency differences in pumps and motors, or can accommodate for such sensory requirements,
- Touch-noticing temperature differences,
- Hear frequency differences in pumps and motors or have a means to accommodate such variances,
- Stand, walk, and sit for extended periods; use hands and fingers to manage, feel, or operate tools and controls; reach with hands and arms; climb, balance, stoop, kneel, crouch, and crawl,
- Frequently lift and/or move objects weighing up to 50 pounds,
- Use close vision, distance vision, color vision, peripheral vision, depth perception, and the ability to adjust focus, or have corrective measures to compensate for vision limitations,
- **Contact lenses are not permitted when working with or near chlorine gas or biological materials.**
- Use taste and smell as indicators of operational or environmental conditions consistent with industry practices.

Mental Working Conditions:

Cognitive Demands

- Continuous monitoring of systems and processes.
- Analyzing data, identifying irregularities, and troubleshooting issues.
- Making quick, informed decisions under pressure.

Responsibility Level

- Supervising operators or team members, as necessary.
- Ensuring safety standards and quality requirements are met.
- Reporting to Utility Supervisor and coordinating across departments.

Stress Factors

- Managing emergencies or unexpected equipment failures.
- Emergency situations may require working nights, weekends, or extended hours.

- Accountability for team performance and safety compliance.

Skills Required

- Strong leadership and communication skills.
- Problem-solving and critical thinking.
- Ability to multitask and prioritize effectively.
- Ability to remain calm under pressure.
- High attention to detail.

Environmental Factors:

- Work is performed in both indoor and outdoor environments, including treatment plants, pump stations, confined spaces, trenches, and construction sites.
- Exposure to noise, vibration, mechanical equipment, chemicals (including chlorine), untreated wastewater, biological hazards, fumes, dust, and varying weather conditions.
- Work may involve exposure to hazardous materials and requires the use of personal protective equipment (PPE).
- Position requires participation in an on-call rotation and response to emergencies outside normal working hours.

QUALIFICATIONS:

The following are minimal qualifications necessary for entry into the classification.

To perform this job successfully, an individual must be able to perform each duty satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required.

- A high school diploma or equivalent is required.
- Computer literacy, including word processing and spreadsheet/database software.
- Knowledge of water, wastewater and recycled water operation, preventative maintenance, and safe work practices.
- Minimum one (1) year experience as a Utility Operator II for HVLCSO or equivalent and five (5) years of experience with the maintenance and operation of water treatment and distribution and/or wastewater collections and treatment is required.
- Knowledge of recycled water distribution and regulations is desired.

KNOWLEDGE/SKILLS/ABILITIES:

The following are a representative sample of the KSA's necessary to perform essential duties of the position.

Knowledge of:

- Practices, tools, equipment and supplies required to maintain and repair water treatment and distribution infrastructure, wastewater collection mains and lift stations.
- The operation, cleaning and preventive maintenance of water treatment and distribution facilities and equipment.
- Basic principles and practices of equipment servicing and repair.
- Tools and equipment required for the work.
- Basic safety practices related to the work, including confined space entry.

- Applicable laws, codes and regulations.
- Computer applications related to the work.
- Basic supervisory principles and practices, including training staff in work procedures.
- Techniques for providing a high level of customer service to the public and District staff, in person and over the telephone.

Ability to:

- Perform skilled and semi-skilled work related to the installation, inspection, maintenance and repair of underground water and wastewater infrastructure, including booster pump, and wastewater lift stations.
- Operate, maintain and repair water treatment and distribution facilities and equipment.
- Perform servicing and minor maintenance on a variety of stationery and mobile equipment.
- Respond effectively to emergency situations and troubleshooting such situations.
- Safely using hand and power tools related to the work and driving, and operating trucks and equipment.
- Interpret and explain regulations, policies and procedures.
- Make accurate mathematical calculations.
- Read maps, manuals and specifications.
- Maintain accurate records of work performed.
- Prioritize own work and use independent judgment within procedural guidelines.
- Serve as crew leader and train others in work procedures.
- Establish and maintain effective working relationships with those contacted in the course of the work.

EDUCATION AND/OR EXPERIENCE, LICENSES/CERTIFICATES:

- A high school diploma or equivalent is required.
- A class "A" California driver's license (with tank endorsement) and;
- Minimum of three of the following California Department of Public Health, State Water Resources

Control Board certifications or California Water Environment Association certifications:

Required:

1. Water Treatment Grade II
2. Water Distribution Grade II
3. Wastewater Grade II

Must maintain all certifications.

Must be able to respond to after-hours emergencies within 30 minutes.

Other Duties

Must be available for responding to off-hours emergency situations at all times. This position requires participation in the On-call rotation and will be eligible for On-call pay and overtime compensation policies of the District. The work requires outside exposure to all weather conditions with dust, noise, traffic, and potentially hazardous materials and electrical or heavy equipment.

Perform other related duties as required.

HIDDEN VALLEY LAKE COMMUNITY SERVICES DISTRICT

STAFF REPORT

Meeting Date: July 15, 2026

Budgeted: N/A

AGENDA ITEM #: 9

AGENDA ITEM TITLE: Consider Approval of the Revised Job Title and Description Updating the Water Resources Specialist Position to Water Resources Analyst

SUMMARY: The proposed update to the job title and description is intended to more accurately reflect the duties performed. Given the position's close involvement with field operations and staff, renaming the role to Water Resources Analyst better captures its responsibilities and aligns the position under the supervision of the Utility Superintendent.

BACKGROUND/ANALYSIS: The primary updates to the job description include changes to the job title, reporting structure, and several additions to the sections covering reports, environmental factors, and required abilities.

This position plays a highly supportive and influential role for the Utility Superintendent, updating the supervision section to reflect that the role now reports to the Utility Superintendent is a more accurate and appropriate fit.

It was important to clarify that this position is based at the wastewater facility rather than the main office, as the location directly influences daily responsibilities and interaction with field staff. Additional updates include specifying new reporting requirements, highlighting the significant use of Excel and data analysis, and emphasizing that the role operates with a high level of independence, as well as in a team context.

RECOMMENDATION: Consider Approval of the Revised Job Title and Description Updating the Water Resources Specialist Position to Water Resources Analyst

ATTACHMENTS: Water Resources Analyst Job Description - Draft

Hidden Valley Lake Community Services District

Water Resources Analyst Flex I/II Job Status: Non-Exempt

This class description is only intended to present a summary of the range of duties and responsibilities associated with the positions. Descriptions **may not include** all duties performed by individuals within the class. In addition, descriptions outline the minimum qualifications necessary for entry into the class and do not necessarily convey the qualifications of incumbents within the position.

DEFINITION:

Under general supervision; a **Water Resources Analyst I** participate in technical studies and special projects to support District operations and policy/program development; maintains a variety of technical databases; compiles various regulatory reports on a regular basis; supports the District's GIS and SCADA programs and databases; work with various vendors that provide services to the District; may assist to administer grants and loans; may represent the District in various state and local boards and public forums; and performs related duties as assigned.

Additional Definition/Summary for the Water Resources Analyst II

Under general supervision; a **Water Resources Analyst II** plans and conducts technical studies and special projects to support District operations and policy/program development; develops and maintains a variety of technical databases; compiles various regulatory reports on a regular basis; manages the District's GIS and SCADA programs and databases; oversees various vendors that provide services to the District; applies for and administer grants and loans; represents the District in various state and local boards and public forums; and performs related duties as assigned.

SUPERVISION RECEIVED/EXERCISED:

Receives general direction and supervision from the Utility Superintendent.

ESSENTIAL FUNCTIONS: *(but are not limited to the following)*

- Collects, assembles, analyzes, and interprets data pertaining to a variety of water and wastewater resource management issues including supply/demand projections, water use and treatment, wastewater treatment, water quality, water conservation, financial analysis, and historical trends. Provides data for use in feasibility studies.
- Assists with maintenance of water production, treatment, and/or water use computer databases. Monitors service orders for water loss calculations.
- Prepares narrative and statistical reports in accordance with regulatory requirements (such as the Field Operations Report, Watermaster Report, Groundwater Monitoring Report, Water Loss Report, Monthly Billed Consumption, Solar Monitoring, Electronic Annual Reporting (EAR)).
- Assists in the development and adoption of District initiatives through research and analysis.
- Research and draft Standard Operating Procedures (SOPs) for review and approval by the Utility Superintendent.
- May represent the district at public and utility-related organizations and assist with the preparation and presentation of water resources exhibits at community events.
- Provides support to management during emergencies (such as fire, floods, power outages).

- Works with multiple vendors in accordance with contract terms and support needs.
- May help administer grants and loans according to relevant terms.
- Assists in the Bid and Request for Proposal or Qualifications process. Coordinates bid selections, awards of contract, and notices to proceed.
- Provides support and administration to the District Supervisory Control and Data Acquisition (SCADA) System. Troubleshoots issues and escalates if necessary.
- Maintains the ArcGIS database and mapping environment. Performs data collection and data entry to the database to expand the capacity of maps. Develops and maintains a geometric database for water and wastewater infrastructure, recycled water, and hydraulic modeling. Generates maps to assist in field operations, troubleshooting, and maintenance plans.
- Use the District's in-house Utility Billing software to generate data for water consumption, water loss, and sewer use reports. Generates "average sewer use" figure annually for billing staff.
- Supports billing staff (Account Representatives) during high call volumes.

Additional Essential Functions for the Water Resources Analyst II

- Assists with the development and maintenance of water production, treatment, and/or water use computer databases. Assists in documentation and database management of daily water and wastewater rounds, and monthly drawdowns. Monitors service orders for water loss calculations.
- Represents the district at public and utility-related organizations, makes oral presentations, presents findings, and assists with the preparation and presentation of water resources exhibits at community events.
- Manages multiple vendors in accordance with contract terms and support needs.
- Develops and submits grant and loan applications; administers grants and loans according to relevant terms.
- Facilitates upgrades as needed.
- Manages the ArcGIS database and mapping environment. Performs data collection and data entry to the database to expand the capacity of maps. Develops and maintains a geometric database for water and wastewater infrastructure, recycled water, and hydraulic modeling. Generates maps to assist in field operations, troubleshooting, and maintenance plans.
- Use the District's in-house Utility Billing software for budgeting and project management activities, and to generate data for water consumption, water loss, and sewer use reports. Generates "average sewer use" figure annually for billing staff. Supports billing staff during high call volumes.

PHYSICAL, MENTAL AND ENVIRONMENTAL WORKING CONDITIONS:

The essential functions of this position may require the employee to perform the following physical activities. Some of these requirements may be accommodated for otherwise qualified individuals requiring and requesting such accommodation.

The physical demands described here are representative of those necessary to successfully perform the essential functions of the **Water Resources Analyst I & II** position.

Employee must be able to perform tasks requiring both sitting and standing for extended periods of time; walking short to moderate distances; occasional bending, stretching, stooping, reaching, twisting, and turning. Must be able to lift, push or pull at least 25 pounds. Must possess hand and finger dexterity sufficient to operate a computer keyboard and some hand tools; vision to read printed materials and a computer screen; hearing and speech to

communicate in person and over the telephone or radio; attentiveness and concentration necessary to perform multiple tasks concurrently.

Environmental Factors

The environmental conditions described here are representative of those an employee encounters while performing the essential functions of the **Water Resources Analyst I & II** position. Reasonable accommodation may be made to enable individuals with disabilities to perform essential functions. While performing the duties of this job, the employee works primarily in an office environment with moderate noise levels and controlled temperature conditions. Employee may also work in the field and may be exposed to loud noise levels, cold and hot temperatures, inclement weather conditions, road hazards, vibration, confined workspaces, chemicals, mechanical and/or electrical hazards, and hazardous physical substances and fumes. Employee may interact with upset public representatives, private representatives, and contractors in interpreting and enforcing District policies and procedures.

The role is primarily located at the wastewater treatment facility and requires candidates who are highly self-motivated and capable of working independently when needed.

QUALIFICATIONS:

The following are minimal qualifications necessary for entry into the classification.

Education and/or Experience:

Education and Experience for the **Water Resources Analyst I:**

Any combination of training and experience which would provide an opportunity to acquire the knowledge and abilities listed above.

A typical way to obtain the required knowledge and abilities would be:

- Associate degree with major coursework in water resources, planning, engineering, natural resources, public policy or administration, or a related field, and/or
- One year of experience with a water supply/management organization

Education and Experience for the **Water Resources Analyst II:**

- Graduation from a four-year college or university with major coursework in water resources, planning, engineering, natural resources, public policy or administration, or a related field, and/or
- Three years of experience with a water supply/management organization

Licenses/Certificates:

A valid California driver's license and satisfactory driving record to maintain insurability is required.

KNOWLEDGE/SKILLS/ABILITIES:

The following are a representative sample of the KSA's necessary to perform essential duties of the position.

Knowledge of:

- Rules of English grammar, punctuation, and spelling.
- MS Office products (such as Word, Excel, and Outlook), Publisher, and Adobe Acrobat Writer.
- Principles of database management.
- Supervisory Control and Data Acquisition (SCADA) systems and software.

- Basic operation, equipment, and terminology associated with water treatment, wastewater treatment, and distribution systems; and
- ArcGIS database software.

Ability to:

- Perform basic mathematical computations.
- Compile and interpret water resources data.
- Write technical reports regarding various water and wastewater reporting and compliance issues.
- Conduct analytical and research studies.
- Support project activity, including scheduling and overseeing vendor activities.
- Operate a variety of computer programs, including word processing programs, databases, spreadsheets, graphics, and desktop publishing programs.
- Perform Significant Excel-based work.
- Follow written and oral directions.
- Work independently, as well as in a team context.
- Learn and apply the District's Utility Billing Software.
- Maintain computer records and databases.
- Prepare effective educational and informational written materials.
- Make effective oral presentations to the Board of Directors and public groups.
- Additional Abilities Required for the Water Resources Analyst II.
- Write grant proposals, loan proposals, and Requests for Proposals.
- Direct the planning and administration of grant and loan programs.
- Plan and conduct advanced analytical and research studies.
- Represent the District at various state and local boards and groups.
- Make sound decisions within procedural guidelines; and
- Establish and maintain effective working relationships with in-house personnel, the public and outside agencies.

Additional Abilities Required for the Water Resources Analyst II

- Write grant proposals, loan proposals, and Requests for Proposals.
- Direct the planning and administration of grant and loan programs.
- Plan and conduct advanced analytical and research studies.
- Represent the District at various state and local boards and groups.
- Make sound decisions within procedural guidelines; and
- Establish and maintain effective working relationships with in-house personnel, the public and outside agencies.

Other Duties:

Perform other related duties as required.

DRAFT

HIDDEN VALLEY LAKE COMMUNITY SERVICES DISTRICT

STAFF REPORT

Meeting Date: July 15, 2026

Budgeted: Yes

Meeting: Board Meeting

Budgeted Amount: \$1,010,757

To: Board of Directors

Cost Estimate: \$81,941

From: General Manager

Funding Source: 130

Written by: Project Manager

Funding Account #: 5-70-7208

Project Name: Defensive Space and Ignition
Resistant Construction Project

Project #: 398

AGENDA ITEM #: 10

AGENDA ITEM TITLE: Consider Approval of Bennett Engineering Services' Contract Amendment in the Amount of \$81,941 for the Defensive Space and Ignition Resistant Construction Project

SUMMARY: The engineer consultant for the Defensive Space and Ignition Resistant Construction (DSIRC) project, Bennett Engineering Services, requires additional funds to modify the scope of Phase 2 of the project.

BACKGROUND/ANALYSIS: On June 27, 2025, the construction phase (Phase 2) of the DSIRC project was approved. Funding limitations associated with inflation, the increase in the cost of replacing tank 4A, and concerns with the project's initial design have delayed progress and prompted several discussions with Cal OES.

Due to budget constraints and limited federal funds, it was decided that the tank 4A construction portion of the project must be completely removed from the scope. This limited project activities to vegetation removal at the Little Peak tank site, tank site 4, and at wells 2 and 4, as well as the installation of ignition-resistant buildings and associated components around wells 2 and 4. Such scope changes for bidding purposes were accomplished in Bennett Engineering Services' amendment 2 which was fully executed on January 26, 2026.

Since then, staff have expressed concerns about certain components of the project's initial design, which includes both the use of metal materials for the ignition-resistant buildings and the fact that basic electronic components for the building are excluded while the electrical panel is located outside of the proposed building for well 2. To address these concerns, staff recommend that concrete masonry unit (CMU) materials be used instead and that electrical

HIDDEN VALLEY LAKE COMMUNITY SERVICES DISTRICT

STAFF REPORT

designs be added and relocated inside the building. These changes would align the project with its intention to keep potable water machinery functioning during wildfire events since pumping stations require additional power components to properly function. Also, metal buildings increase the risk of internal pumps overheating during wildfire events units since metal absorbs heat whereas CMU buildings would keep machinery cooler. This change would also keep the District consistent with the design of its other existing pumping stations which are made of CMU materials.

These modifications require that Bennett Engineering Services update the associated construction bid documents again prior to their release. This amendment will increase the contract with Bennett Engineering Services to \$612,689, of which \$388,414.92 has already been expended. Based on Bennett Engineering Services' estimated construction and construction management costs, this would bring the project cost to \$1,258,563 and provide a buffer of \$129,038 since the grant amount is for \$1,387,601. This buffer should be reserved for additional increases in construction, construction management, and engineering services during construction costs since the proposed design changes will increase the fees for all those items.

RECOMMENDATION: Approve of Bennett Engineering's contract amendment

ATTACHMENTS: Bennett Engineering Services' – Amendment 3

SCOPE OF SERVICES – AMENDMENT 3

Client _____ Hidden Valley Lake Community Services District
Consultant _____ Bennett Engineering Services (BENEN)
Project _____ Defensive Space Ignition Resistant Construction (DSIRC) Project
Date _____ June 30, 2026

Consultant's services shall be limited to those expressly set forth below, and Consultant shall have no other obligations or responsibilities for the Project or to the Client except as agreed to in writing or as provided in this Agreement. All of Consultant's services in any way related to the Project or Client shall be subject to the terms of this Agreement.

TASK 1. PROJECT MANAGEMENT – NO CHANGE

TASK 2. SITE VISITS AND DATA COLLECTION – NO CHANGE

TASK 3. ENVIRONMENTAL AND PERMITTING – NO CHANGE

TASK 4. FINAL DESIGN PS&E DOCUMENTS – NO CHANGE

TASK 5. BIDDING SUPPORT

Subtask 5.1. Bidding Support - NO CHANGE

Subtask 5.2. Revise PS&E Package for Bidding – NO CHANGE

Subtask 5.3. Remove Tank from PS&E Package – NO CHANGE

Subtask 5.4. Alternate Bid Items, Structural, and Electrical –

Subtask 5.4.a Alternative Bid Items

The design team will modify the drawings, specifications, and estimate to include the buildings at the well field (well #2 and #4) as alternative bid items.

Subtask 5.4.a Structural Design

The design team will provide structural design for new CMU building to replace the previously specified pre fabricated buildings (well #2 and #4). Building will include wood framed roof with removable skylights for pump removal.

Subtask 5.4.a Electrical Design

The design team will provide electrical design for the building including relocating the existing pump starters and panel inside of the buildings, exhaust fans and panel, receptacles, lights, conduit, panel, and fixture schedules. SCADA to be provided by District separately. Space for flow meter and security will be provided but design for these items will be provided by the district separately.

DELIVERABLES:

- Electronic version of the plans, specifications and cost estimate will be provided in PDF Format.

Initials _____ Page 1 of 2

TASK 6. OPTIONAL TASKS – NO CHANGE

TASK 7. CONSTRUCTION SERVICES – NO CHANGE

Subtask 7.1. Engineering Services During Construction

This task includes added electrical and structural engineering support services during construction including submittal reviews, RFI reviews, CCO reviews, and preparation of Record Drawings.

Subtask 7.2. Environmental Services During Construction – NO CHANGE

Subtask 7.3. Forestry Services During Construction – NO CHANGE

ASSUMPTIONS:

- Electronic version of the plans, specifications and cost estimate will be provided in PDF Format.
- No SCADA or PLC programming or control strategies are included in this scope
- District will provide SCADA programming and design
- Back up generator will be provided by others, including ATS.
- Flow meter communication will be provided by the District.
- We will relocate existing pump starters and SCADA – no new panels.

Fee Estimate - Amendment 3

Additional Fee Information

- ▶ This fee estimate is valid for 90 days from the date shown above.
- ▶ This fee estimate contains an abbreviated list of staff classifications and does not restrict BEN|EN to those classifications. The Standard Rate Schedule with a full list of staff classifications is available upon request.
- ▶ This fee estimate contains an approximation of the breakdown between labor, expense, and consultants. BEN|EN reserves the rights to distribute funds differently based on project needs.
- ▶ Standard hourly rates do not apply to a demand to perform work during an overtime period. Work required to be performed during an overtime period (as mandated by California law) may be charged at a 50% premium. Work mandated by Prevailing Wage laws may be charged at a 25% premium.
- ▶ Hourly rates include all compensation for wages, salary-related benefits, overhead, general office administration, and profit. Direct project administrative hours will be billed at the rate shown above.
- ▶ Classifications may be added or removed as-needed without notice.
- ▶ Changes in the requested scope of work or projected schedule may result in the revision of the proposed fees and amendment to the total contract amount.

INITIALS:

Hidden Valley Lake Community Services District

Board List of Priorities

- Underground infrastructure rehabilitation
 - Water mainlines
 - Rehabilitation
 - Replacement
 - Sewer mainlines
 - Infiltration and inflow (I/I)
- SCADA improvements
 - General updates
 - Cybersecurity updates – in progress
- Redwood water tank replacements
 - Contact tank – FEMA subapplication submitted; designs in progress
 - Tank 1A
 - Tank 1B
 - Tank 4A
- Permanent generator procurement
 - Wellfield – FEMA subapplication submitted; designs in progress
 - Unit 9 tank site
- Water quality
 - Hexavalent Chromium compliance – in progress

Defensive Space and Ignition Resistant Construction Project

- Scope of Work change in progress:
 - Removal of Tank 4 construction
 - Redesign metal well structures with CMU materials
 - Alternatively, the buildings could be removed from the scope entirely
- **Agendized:** Bennett Engineering contract amendment

Project Amount

\$1,455,722.37

Reimbursed to Date*

\$28,281.91

*does not include 10% retention reimbursement

Project Amount

\$1,455,722.37

Expenditures

\$28,281.91

Balance (amount prior to FEMA 75% reimbursement)

\$1,427,440.46

Task 1: Bid development, solicitation & award

Task 2: Mobilization

Task 3: Site prep, purchases

Task 4: Begin defensive space, begin off-hauling, & begin wellhead ignition-resistant construction

Task 5: Complete defensive space & complete wellhead ignition-resistant construction

SCADA Cybersecurity Enhancement Project

- **In progress:** Equipment installation, network boundary improvements, and troubleshooting

Project Amount
\$250,000

Reimbursed to Date
\$52,895

Project Amount		Expenditures		Balance
\$250,000	-	\$52,895	=	\$197,105

- Task 1: Software upgrade & data migration
- Task 2: Hardware procurement & replacement of existing equipment
- Task 3: Network boundary protection improvements
- Task 4: Investigation & troubleshooting of existing network issues
- Task 5: Next steps for SCADA/cybersecurity enhancements
- Task 6: Staff training

Water Storage Tank Wildfire Mitigation Project & Wellfield-Water Plant Generator Project

- **In progress:** Advancing designs of both projects (geotechnical work excluded)

California Wildfires and Straight-line Winds

DR-4856-CA

Incident Period: Jan 7, 2025 - Jan 31, 2025
Declaration Date: Jan 8, 2025

Quick Links

- **Recovery resources:** [State & Local](#) | [National](#)
- **Connect:** [Social Media](#) | [Mobile App & Text](#)
- **24/7 counseling:** [Disaster Distress Helpline](#)

Firemain Linked Auxiliary Supply/Hydraulic Energy Storage (FLASHES) Project

- RCRC Grant Advance Loan for \$200,000 pending
- **In progress:** Engineering surveys, preliminary electrical work, hydrological work plant development, interconnection evaluation

REIMBURSABLE MIP FUNDS

Grant Amount		Expenditures		Balance
\$3,243,348.00	-	\$0.00	=	\$3,243,348.00

MIP Funds Reimbursed to Date

\$0

Eligible MIP Expenditures		Non-Eligible MIP Expenditures		Overall MIP Project Expenditures
\$0.00	+	\$1,953.75	=	\$1,953.75

Project Updates continued...

Stormwater Mitigation

- **5/27/26:** Notice of Interest submitted to FEMA's Hazard Mitigation Assistance (HMA) Flood Mitigation Assistance (FMA) program for the purpose of updating the Stormwater Master Plan and forming a partnership to identify roles and responsibility of landowners.
- **6/26/26:** Full FMA subapplication submitted to Cal OES; final submittal will be sent to FEMA on 8/6/26.
 - The District and the County are pursuing grant award with the County passing through the funds to the District.
- **In progress:** Execution of Memorandum of Understanding between the County and the District; awaiting County approval.

Brambles

- **In progress:** Awaiting Brambles action on Cost Share Agreement, Road Maintenance Agreement, and Outside Service Agreement. Upon approval of such agreements, and upon executing a new easement, the District will submit the LAFCo annexation application on behalf of Brambles.
- **Upcoming:** In-person meeting to discuss annexation

Regulatory Compliance – Reclamation Pond pH & Title 22 Revision

- **In progress:** Collection of additional samples throughout the reclamation pond to better understand the water's chemistry. Results will guide sludge removal methods (i.e., physical or chemical removal methods).
- **In progress:** Obtaining several quotes from dredgers to evaluate the pond chemistry and candidacy for dredging

Regulatory Compliance – Hexavalent Chromium

- **In progress:** Additional samples to be taken at other nearby surrounding wells
- **In progress:** PumpMan evaluating the ability to increase Well 3 capacity

Valley Oaks Development

- **6/17/26:** Valley Oaks development annexation application submission approved
- **In progress:** LAFCo review

Hidden Valley Lake Community Services District Regulatory and Legislative Updates July 2026

Association of California Water Agencies (ACWA) Highlights

ACWA has rejoined the National Water Resources Association (NWRA), an organization of state water associations that represent both agricultural and municipal water providers with a focus on western water issues. ACWA member agencies now have access to NWRA benefits at no additional cost which include receiving federal updates on national water policy matters, participating in monthly policy calls, and receiving discounted prices for NWRA events.

State Legislative Committee 6/12 & 6/22

AB 706: Favor – Forest Organic Residue, Energy, and Safety Transformation and Wildfire Prevention Fund Act

This bill would establish both the Forest and Wildlife Prevention Fund (Fund) within the State Treasury and the Fire Fuel Reduction Program (Program). Funds would be passed through to the Program for the purpose of reducing organic fuel sources by eliminating up to 15 million tons of dry forest biomass waste per year. The biomass would be put to beneficial use through renewable energy efforts and additional biomass conversion projects would be developed through the Fund. This bill is in line with efforts to reduce state-wide wildfire risks and is consistent with ACWA's advocacy on addressing climate change.

AB 1436: Favor – State Air Resources Board: air pollution regulations: private fleets: exception

Executive Order N-79-20 imposes that all new passenger vehicle sales be for zero-emission vehicles by 2035 and that all medium- and heavy-duty vehicles be emission-free by 2045.

To maintain the continued operation of essential public services, AB 1436 would prohibit CARB from adopting and enforcing regulations that force the purchase of zero-emission vehicles onto private fleets, which include those operated by contractors or subcontractors of public agencies. This would ensure that public agencies may continue to contract with the firms that they feel are the best and most qualified to fit their needs, regardless of the emissions that their vehicles expel which is out of agencies' controls.

BILL WATCH

AB 2214: Not Favor – Government finance: deposits

House Location: Assembly

Committee Location: Banking and Finance (since 4/14/26)

This bill would create a new fund under the Pooled Money Investment Account (PMIA) which includes the Local Agency Investment Fund (LAIF). Funds would be reallocated to a new PMIA fund, the “Community Reinvestment Account,” for the purpose of providing more resources for small businesses in underserved communities, first-time and first-generation home buyers, and affordable housing loans, among others. These lending activities are inconsistent with the current liquidity requirements of local agencies that currently invest in PMIAs and are a source of potential risk given PMIA’s current dependency.

California Special Districts Association (CSDA) Highlights

AB 1821: *Support* – California Public Records Act: agency response time

This bill would extend the time frame that public agencies have to respond to a California Public Records Act request from 10-calendar days to 10 business days. The bill would similarly extend the 14-calendar day period applicable to unusual circumstances to 14 business days. This would provide staff with more time to properly prepare for and respond to an initial request, which may be necessary depending on the nature of the request.

Wastewater System Highlights

- Routine maintenance and operations
- Central Valley RWQCB—Effluent Pond pH Mitigation Summary Report
- Manhole Lid Replacement (North Shore Dr & Mountain Meadow/Old Creek)

Field Updates

Effluent Pond pH Mitigation Tasks : June

CVRWQCB Proposed Tasks

Task	Task Description	Completion Date
1	Installation of pH buffering mechanism at the effluent storage pond	July 31, 2025
2	Updating the 1993 Title 22 Engineering Report	December 31, 2025
3	Remove 6 to 8 inches of sludge from the bottom of the 25-acre effluent storage pond.	October 31, 2029

Task 1:

Complete

Task 1 continues to perform successfully, with the pump currently operating at a 30% feed rate and administering sulfuric acid. pH levels remain stable, consistently averaging around 8.1, when water is utilized.

Task 2:

Complete

The District and GHD collaborated effectively and submitted the updated Title 22 Engineering Report to the Water Board on December 19, 2025 meeting the deadline.

Task 3: Staff and the District's engineers discussed effective sludge-removal options and associated costs. Sampling is underway to evaluate current sludge conditions, with the goal of identifying the most efficient and cost-effective method for removing excess sludge from the effluent storage pond.

MEMO

To: Board of Directors
From: Paul Kelley
Date: July 15th 2026
RE: General Manager's Report

Administrative Highlights

- Attended and Made presentation to the HVLA Board
 - Lake Dredging, Chrome 6, Well testing and Stormwater, and other Project updates
 - The HVLA requested assistance with sampling of the Lake for algae
 - And, the Utility Superintendent made a visit, and took samples
- Had initial meeting with Archer public affairs to kick off their contract for electronic media services.
- The Chrome 6 work plan implementation continues –
 - Well upgrades reviewed – with pump tests and quality testing
 - The HVLA is coordinating access to Hole 9 well and RV park well.
- Implementing the transition to 5-Star bank
- On going roll out of the GoGov – MYHVLCSD App (available on Apple and Android) – See QR code below.
- Roll out of the Daupler – after hours call etc. Starting in July
- Attended the CSDA-GM Summit and was presented with the Special District Leadership Certification.
- Attended two long meet and confer sessions on a District project
- Started the Flashes – committee regular meetings.

Staff Update:

- The Personnel committee approved the Lead Operator position, on Boards agenda for pay scale
 - The plan is to keep the same number of employees in the division, so the fiscal impact is not as significant as adding a position.
- The Water Resources specialist is now Water Resources Analyst, and we will start the recruitment process soon.

Operations

- 4 Man Holes were re-done over the past month.
- Little Peak Tank painted!
- Major Maintenance
 - New Waster Water Cl Analyzer is still in it's Trial time (second 30 day)
- Manhole repairs accomplished – new concrete and pavement.
- AMI Installations Completed – more testing in place.
- Waterplant pumps went down, and new one installed this past week.

MEMO

Ongoing Initiatives

Several key initiatives that were already in progress:

Organizational Structure Review: The first step in this is:

- Office staffing assessment.
- Lead Operator to be recruited for
- The Water Resources Analyst. Will also be recruited to assist the Utility Division.

Chrome 6 Compliance plan: Ongoing regulatory compliance challenge to implement our plan – find a low / non chrome 6 source, and/or treatment of our higher Cr6 well

Safety Program: Instituted Safe to tell program for all safety complaints. At the Monthly All-Op Staff meeting we review of potential safety concerns if any. Also

SCADA Cyber: Equipment has arrived and being installed and tested.

IT /Web Improvement: Check out internal website, and the update workstations helpful.

District of Distinction and Transparency: After attending the multiple classes the GM continues to attend the CSDM study group that runs 10 months and is precursor for GM Certification that helps with these District recognitions. Attaining the CSDA Leadership Certification was a big step to the next one for the Certified Special District Manager Certification. (CSDM)

District Education moment:

- A Long-Term plan (5 – 10 years) will significantly increase the likelihood of Mission Success.

In Recognition of the Distinguished and Heartfelt Service of Penny Cuadras

WHEREAS, Penny Cuadras dedicated ten years of exceptional service to the Hidden Valley Lake Community Services District, joining the District team in 2016 and ultimately serving as our Administrative Services Manager leaving an indelible mark on the hearts of everyone she worked with; and

WHEREAS, Penny served not just as our Administrative Services Manager, but as a protective guardian for District staff, instinctively recognizing hidden burdens and quietly taking on challenges to safeguard her team, all without ever being asked; and

WHEREAS, possessing a rare combination of keen intuition and fierce dedication, Penny consistently identified troublesome patterns early, working tirelessly behind the scenes to head problems off at the pass before they could ever impact the District; and

WHEREAS, Penny served as a vital, empathetic bridge between the staff and the Board of Directors, intuitively understanding the needs, worries, and perspectives of both sides, and using her deep empathy to foster harmony, trust, and mutual respect; and

WHEREAS, her down-to-earth, deeply approachable style allowed her to champion the District's mission not through rigid policy, but through genuine human connection with Board members, staff, vendors, ratepayers, and consultants alike; and

WHEREAS, Penny represented the District at numerous community events, where her warmth and care transformed routine public outreach into meaningful community relationships, making her a beloved and thoughtful voice for Hidden Valley Lake; and

WHEREAS, she cultivated strong, respectful partnerships with individuals in neighboring agencies, including our current General Manager, Paul Kelley—professional organizations, and state leaders at CSDA and SDRMA, always bringing a spirit of collaboration and integrity to the wider region; and

WHEREAS, Penny leaves behind a legacy that cannot be measured solely by projects completed or years served, but by her fierce advocacy for her colleagues, her unwavering emotional intelligence, by the countless lives she touched, the problems she quietly solved, the crises she prevented, and the kindness, wisdom, and unwavering dedication she shared so generously with everyone fortunate enough to work beside her.

NOW, THEREFORE, BE IT RESOLVED that the Board of Directors and the entire staff of the Hidden Valley Lake Community Services District express their profound gratitude and deepest affection to Penny Cuadras. Thank you, Penny, for not just doing a job, but for

looking out for us, fighting for us, and caring for this District with all your heart. We wish you boundless joy in your retirement.
